Let the Fun Shine

Dear Friends:

It is my pleasure to extend a warm welcome to the 2006 Missouri State Fair, the state's number one showcase. The Fair is steeped in over a century of tradition, yet it remains pertinent today as an educational venue and place for family fun.

I know you will have a great time competing and enjoying all the great entertainment offered.

Good, wholesome competition and recognition for the best of the best is what the Fair is all about and your participation is what makes the Fair a one-of-a-kind event. Thank you for your involvement in this annual, 11-day showcase of Missouri's agricultural and cultural heritage.

I hope to see you and your family at the Missouri State Fair, August 10 – 20, in Sedalia.

Sincerely,

A handwritten signature in black ink that reads "Matt Blunt".

All exhibits will be released at the time given in each department designated by the Fair Director.

In the event that an animal perishes on the Missouri State Fairgrounds, it becomes the property of the Missouri State Fair. The Superintendent of the department, or the appropriate Fair staff member, will secure the carcass and hold it until it is released by the Livestock Superintendent, for postmortem inquiry at the direction of the State Veterinarian. Any violation of this policy will result in forfeiture of all exhibitor premiums, immediate dismissal from the Fairgrounds and other actions as deemed appropriate by the Missouri State Fair, and legal referral as deemed necessary by the State of Missouri.

STALLS, PENS, FEED, BEDDING

- Stalls will be assigned by the superintendent of the department concerned.
- No stalls or pens will be reserved unless entries are accompanied by proper fees.
- Livestock exhibitors will be allowed to bring only enough feed, hay or bedding material for their own use. Combining the needs of exhibitors on one truck or trailer will not be permitted.
- No individual or company, except the designated purveyor, may sell feed, hay or bedding on the fairgrounds.
- Feed, hay and bedding will be for sale on the fairgrounds on a cash basis only.
- Barns, stalls or pens may NOT be used for storage of feed, forage or bedding. **THIS RULE WILL BE STRICTLY ENFORCED.**
- Livestock exhibitors must furnish their own water buckets and feed troughs.
- All stalls and pens must be cleaned before 8:00 a.m. daily and refuse disposed of as superintendent directs.** All paper, glass, plastic, wire, metal, and other refuse must be separated from the animal waste and bedding. All materials other than animal waste and bedding are to be placed in barrels.
- NO SMOKING** is allowed in barns, hay, straw, or feed storage areas.
- No dogs are allowed on the fairgrounds.
- All misters, electrical cords, and fans must be approved for use by the Missouri State Fair.
- Bedding on the sand will not be permitted in the beef cattle barns.
- The feed and forage building is located east of the Inner Gate 4 and ticket booth B. Available items are shavings, hay, alfalfa, straw and feed upon request.

ACCESS

The grounds and buildings will be open for the reception and installation of commercial exhibits Monday, August 7.

All animals and articles must be in place by 8:00 a.m. on Thursday, August 10, unless a different hour and date is specified in the department concerned, and the superintendent of the department believes later arrival is justified.

EXHIBITOR CAMPING

Livestock exhibitor and concessionaire camping is available in the inner campgrounds and the outer reserved campgrounds by reservation only for \$18 per space per day. \$1.00 of the camping fee will go to the Missouri State Fair Foundation. Livestock exhibitor camping is also available near the Sheep Barn (\$15 per space per day) and the cattle tie-out area (\$11 per space per day). Only one campsite allowed per exhibitor. (Fees subject to change.)

Absolutely no electricity will be available by means of an extension cord from a show barn or exhibit building. Campers without prior State Fair Electrician written approval for electrical cords will be disconnected. Unapproved cords may be disconnected, cut and/or removed by State Fair personnel.

No one will be allowed to enter the cattle tie-out area with campers or trailers in order to hold cattle tie-outs or camping facilities prior to August 6. The cattle tie-out area is the designated area for tying cattle and parking of vehicles and trailers with proper credentials. Any items used for reservation of tie-out space (camper, trailer, etc.) in place prior to August 6 without prior written approval from the Beef Superintendent will be removed.

Camping fees and entry fees shall be paid with separate checks.

CATTLE TIE-OUT AREA

Cattle exhibitors wearing livestock exhibitor pins will be allowed freedom of movement between the tie-out area and the barns.

JUDGING PREMIUMS AND AWARDS

- Where there are fewer animals or articles shown in classes than number of premiums offered, the judges may at their discretion award a prize or prizes of such grade as the animal or article deserves. Exhibitors should ascertain from the various superintendents what time the exhibits under their charge will be judged; otherwise, no complaint or protest on the grounds that judges overlooked exhibits will be considered.
- All exhibitors and their helpers are required to have original registration certificates for each animal shown. Papers must be made available upon request by department personnel. Photocopies and facsimiles are not acceptable unless otherwise stated in this premium book.
- No animal will be awarded a prize unless promptly brought into the showing ring when the class is called. Entries in livestock departments are received with the distinct understanding that all animals must be brought to the arena for judging, exhibiting and parade purposes. Exhibitors refusing to parade their animals upon request of the superintendent in charge or disobeying other rules laid down in the premium book will thereby forfeit their rights to exhibit and any premium money they may have already won.
- Any attempt by an exhibitor, either personally or through an agent, to corrupt the judges or exert undue influence will subject the offender to expulsion from the grounds and he or she will thereafter be prohibited from exhibiting or other privileges.
- If an exhibitor or employee, in an inappropriate and public manner, makes exception to the judging or ruling of the judge, awarding committee, superintendent or any official of the Missouri State Fair, said exhibitor or employee shall be expelled and prohibited from competing for a premium or exhibiting on the grounds until he makes proper apology and is reinstated by order of the Fair Director.
- Premium checks will be written as soon as possible after judging is completed. **All checks will be mailed to premium winners.**
- A ribbon on an article does not establish the fact of a first, second or third prize. In rearranging, a ribbon may have been attached in error. Premiums will be paid strictly upon the report as shown in the award book. This record will stand as official.
- Premiums not claimed prior to December 31, 2006, will be forfeited.
- The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards, except for those offered by the State Fair. Because the State Fair Board is without constitutional or legal authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.

PROTEST AND APPEAL

- Protest against the exhibition of an article or animal must be made in writing to the superintendent of the department. The reasons for the alleged ineligibility and rule governing the case must be noted. If evidence sustaining the protest is necessary, the names and addresses of witnesses must be given. If the protest cannot be heard and determined immediately, the judges may proceed to pass on the exhibit and an additional placing shall be made. In the event that the protest is sustained, the additional placing shall be entitled to a premium.
- All protests from a decision of a judge must be made to the Competition Committee of the Missouri State Fair Commission and the Director of the Missouri State Fair within twelve hours after award has been made. An award is made when the notation of the decision of the judge is entered in the department entry book.

Should the protest be sustained, the deposit shall be returned to the protesting party. Otherwise, it shall be forfeited.
- In addition to the right to protest herein granted to exhibitors, the management reserves the right to take cognizance of fraud consummated or attempted in connection with an exhibit, and take such action as may be deemed just and proper and as may be warranted on the premises.
- The right of an exhibitor to appeal the decision of a judge to the management will lie only when it is charged that the award has been made in violation of the rules governing the exhibit, or when it is charged that the decision of the judge has been influenced or interfered with by another.
- No protest or appeal made upon the statement that the judge or judges are incompetent or have overlooked an animal or article will be considered by the management.
- Decisions of awarding judges shall be final and no appeal will be considered other than as herein provided.
- All questions in dispute or differences not covered by these rules will be referred to the management, whose decision shall be final.

INTERPRETATIONS, AMENDMENTS AND VIOLATIONS

- The Missouri State Fair management reserves the final and absolute right to interpret these rules and regulations, settle and determine all matters, questions and differences in regard thereto, otherwise arising out of, connected with or incident to the fair.
- The management reserves the right to amend or add to these rules, with previous notice, as it, in its judgment, may deem advisable.
- Any person who violates any of the foregoing or special rules will forfeit all privileges and premiums.

SUMMARY OF POLICIES AND PROCEDURES FOR SHOW REQUIREMENTS

1. The following policies and procedures apply to all livestock and equine shows at the Missouri State Fair including but not limited to: Beef Cattle, Swine, Sheep, Dairy Cattle, Goats, Poultry, Rabbits, Llamas, Quarter Horse, 4-H Horse, Appaloosa, Society Horse, Draft Horse and Draft Pony, Harness Horse Racing, Miniature Horse, Paint Horse, Draft Mule, Jacks and Jennets, Miniature Mules. A copy of Missouri State Fair Policies and Procedures for Show Requirements may be requested from the Fair's Entry Department or Director's Office.

- A. **PURPOSE:** To explain the established policy for introducing new breeds for a qualified show and for placing established breeds on probation.
- B. **REPLACES:** Tradition, oral understandings, unwritten agreements, and prior written statements.
- C. **GENERAL POLICY:** To introduce a new breed of livestock to show at the Missouri State Fair the following shall apply:

The new breed shall make a written request to the Livestock Superintendent of the Missouri State Fair by November 1 of the year prior to the show in which they wish to participate. After approval from the Missouri State Fair Commission, the breed will be placed on a two-year exhibition period.

During the exhibition period, the breed must have each year, at a minimum, four (4) separate Missouri breeders/farms and forty (40) head of livestock at the Fair. Should the minimum requirements be met for two consecutive years, the breed shall be a recognized breed of the Missouri State Fair. Should the minimum requirements not be met during the exhibition period, the breed shall, if desired, repeat the above process.

The exhibition breed shall show before a judge provided by the Missouri State Fair. Ribbons shall be presented by the Fair for first through third in each class. However, premiums and/or plaques shall not be supplied by the Missouri State Fair during the exhibition period.

After the successful completion of the exhibition period, the Missouri State Fair shall provide ribbons and plaques for the new show. In some cases, the Missouri State Fair may also provide base premiums for the new breed as outlined in Missouri State Fair Policies and Procedures. Should the new breed association choose to match or exceed the base premium offered by the Fair, the Superintendent and breed association shall set the premium rate and the number of placings to be paid to the winners and submit it to the Director of the Fair for approval.

To place an established breed of livestock on probation the following shall apply:

Any breed of livestock on the show schedule for the Missouri State Fair shall maintain a three-year rolling average of at least four (4) separate Missouri breeder/farms and forty (40) head shown during the Fair. Should the breed fall below this average, a letter of probation shall be sent by the Director of the Fair to both the state president of the breed association and the national headquarters of the breed.

Two weeks after the conclusion of the show, the superintendent of the event shall notify the Entry Department in writing that the show shall be placed on probation. The superintendent shall submit a detailed account of the event's three-year rolling average and the name and address of the contact person(s) to receive the probation letter. The Director of the Fair shall send official notices of probation no later than October 15 of the current year.

During the first probation year the Fair shall deduct 25% of the offered premiums by the Fair. If during this probation year the breed does not show a minimum of four (4) separate Missouri breeders/farms and forty (40) head, the breed shall be disqualified from showing at the Missouri State Fair beginning the following year. Should the breed during this probation year show at least the minimum head/breeders required, the three-year rolling average shall be computed. If that average is still below the minimum requirement, the breed shall be placed on a second year of probation with an additional 25% of the offered premiums by the Fair from the previous year deducted. At the end of the second consecutive year of probation, the breed must meet the three-year rolling average or be eliminated from being a recognized Missouri State Fair breed.

Should a breed that has been placed on the first year of probation raise its three-year rolling average to the minimum head/breeder requirement, the breed shall be reinstated to full premiums and removed from probation for the following year.

After elimination from the show schedule, the breed shall have the opportunity to re-introduce the breed through the exhibition process.

The Missouri State Fair shall provide a judge(s) for any livestock show held during the annual Missouri State Fair to ensure a neutral show ring.

The same entry fees shall be paid by all livestock exhibitors regardless of show status.

RULES AND REGULATIONS

The Show Committee has the right to interpret and enforce all rules.
Any announcements made the day of the show supercede any written communication.

The Missouri State Fair is not responsible for injury, accident, illness or theft. (See General Rules and Regulations.)

ELIGIBILITY - EXHIBITOR

1. Each exhibitor must be enrolled by May 1 of the show year in a 4-H and FFA horsemanship project.
2. Each exhibitor must be a member in good standing within his/her local club or chapter. **4-H members must include a copy of their horse enrollment form with their entry blank. FFA members must include a signed statement from their Vo-Ag Instructor affirming their enrollment in the horse project.**

AGE

1. Each exhibitor must have passed his/her eighth birthday and not have passed his/her twentieth birthday before January 1 of the current year.
2. To determine age, the age of the exhibitor on January 1 of the 4-H or FFA program year shall be maintained throughout the year.

OWNERSHIP

Exhibitors must manage all horses shown beginning no later than May 1 of current year. Although ownership is desired, it is not required. Management is defined as the animal being under the complete care of the 4-H or FFA member for the time he/she is enrolled in the project. Horses shall not receive professional training, showing or handling after May 1 of the current year.

CERTIFICATION

The 4-H project leader or Vo-Ag Instructor has the responsibility of certifying that membership, age and management requirements are met.

GENERAL RULES

1. A negative coggins test is required on all horses and must be presented when entering the Fairgrounds.
2. Exhibitors showing the novice (walk/trot) classes are not eligible to show in any other classes with the exception of games and costume classes.

Requirements to show in Novice (walk/trot) classes are:

- A. Walk/trot riders are usually in their first or second year* of horsemanship project. (*Project leaders may authorize members to continue in walk/trot classes past two years if circumstances warrant.) Additional clarification may be found in the 4-H Horse Show guidelines.
- B. Exhibitors who earned a placing ribbon in a novice (walk/trot) class at the Missouri State Fair 4-H/FFA Horse Show in a previous year are not eligible to show in a novice walk/trot class.
- C. Having received a blue Danish ribbon at his/her county 4-H show **will not** disqualify a member from the Novice (walk/trot) classes in the State Fair 4-H/FFA Horse Show.

3. Exhibitor age requirements for all classes are specified and may be divided further at the option of the show management in order to equalize class sizes. Exhibitor must show in either Quarter type or Saddle type. **CANNOT** show same horse in both divisions.
4. All exhibitors must wear their numbers on their backs, or saddle pad (on both sides) in all classes.
5. **An exhibitor may show only once in each class.** If a pony measures out of pony class the pony may go to the horse class of exhibitor's age group. **EXCEPTION:** If exhibitor has horse already in this class, must decide which horse you are showing, only 1 per class.
6. Horses will not be allowed to run in or out of the arena during game classes.
7. ASTM/SEI helmets are required for all game classes and must be buckled at all times while in the arena, even while entering and exiting. Helmets are optional head attire for all other classes.
8. Unless superseded by these rules, regulations, and requirements, rules of the USA Equestrian will apply for Pony Cart and Saddle Seat. American Quarter Horse Association rules will apply for Western and Hunt Seat Classes.
9. A horse cannot be shown by more than one 4-H or FFA member in the 4-H and FFA horse show. The exhibitor must be the one who manages and cares for the horse.
10. **SUBSTITUTION:** There will be no substitution of horses for any reason, regardless of injury or death. The horses entered by July 1 will be the designated Missouri State Fair project horses.
11. **GROUND RULES:**
 - A. Each club or chapter must have an adult supervisor (parent, leader or Vo-Ag instructor) on the grounds at all times.
 - B. Stalls are available and will be assigned by the show committee. **DO NOT MOVE STALL CARDS.** If possible, each club or chapter will be stabled together.
 - C. **All horses entering the Missouri State Fairgrounds July 30 thru August 2 must be shown before the 4-H & FFA Horse Show Judges. Any horses not following the preceding rules will be asked to leave the fairgrounds. Horses are to be ridden only in designated areas by 4-H/FFA exhibitors.**
 - D. No horse trailers or trucks may be left in front or back of barns or around tents per directive of the State Fire Marshall, or in areas where safety of riders may be a concern. Horse trailers must be parked in designated trailer parking areas **ONLY.**
12. Saddles are required for all games classes. Saddle-type riding pads are prohibited.
13. Use of hackamore or other types of bridles is the optional choice of the contestant; however, judges or horse show management may prohibit the use of equipment that may be considered severe.
14. Showmanship at halter will follow the 4-H Showmanship at Halter guidesheet. FFA members may request a guidesheet from their County Extension Office.
15. Because it is in the best interest of all 4-H or FFA members to maintain a reputation of integrity and to present a wholesome and progressive image, the following regulation is set forth: 4-H or FFA members are expected to conduct themselves according to the best traditions of the 4-H or FFA organization. **Unsportsmanlike conduct or inappropriate conduct (drinking, stealing, vandalism or indiscreet behavior) will not be tolerated.**
16. Any violation on the part of an exhibitor, his/her family, or representative may result in dismissal of the exhibitor from showing in any further classes.
17. Any flagrant disregard of rules may be cause for disqualification.
18. Only the first 550 stall requests will be accepted. Horses will have first priority; tack stalls will be assigned after horses are accommodated. Sharing of tack stalls (by counties or clubs) will be a necessity. This will allow more youth to participate in the show. All other entries will be allowed to pay daily jump out fee or have the entry returned.
19. Stall fee is \$27.00 per horse. Each horse **MUST** have a stall if staying over night. Each tack stall is \$27.00. **Any returned check will constitute a voided entry.**
20. Jump out fee of \$13.50 will be charged if you are only going to show for one day and not stay over night. **If you stay over night you must have a stall.**
21. Stalls will be available July 30, 7:00 a.m. **Enter through Gate 4 ONLY.** Horses will be released when through showing.
22. No individual or company, except the designated purveyor, may sell feed, hay or bedding on the fairgrounds. Feed, hay and bedding will be for sale on the fairgrounds on a cash basis only. There will be **NO SELLING** of clothing, tack or lottery tickets in the barns or out of trailers. If you want to sell items, you must contact the Missouri State Fair office and pay vendors fees.
23. Plaques will be given for first place and rosettes will be given to second through 10th places.

24. Costume Classes 26, 40 and 56 will be judged on originality and at a walk only. An exhibitor can only show in one costume class. There will be no stories in any costume classes. Native American (Indian) and Open Costume class participants must have handlers.

 - Identification, description, of all equidae listed on the certificate;
 - Negative EIA test date, negative test results, the name of the state/federal approved laboratory and the test accession number assigned by the testing laboratory.
 - Photocopies or facsimile copies of the VS Form 10-11 may be accepted if they are legible and bear certification by the testing veterinarian or testing laboratory that it is an official copy, and
 - Missouri origin equidae are exempt from the certificate of veterinary inspection requirement.

The Missouri State Fair Horse Show carries a US Equestrian "A" rating for all divisions. Therefore, points can be earned at this show which may count toward the Saddlebred Record Championship. Please refer to the rules of the Saddlebred Record program for complete information.

SADDLEBRED RECORD RULES

- Eligibility Requirements:** To be eligible, a horse (living or deceased) must have earned the necessary 15 points (See Saddlebred Record Point System).
- Number of Points & USE Show Requirements:** To become a Champion, a horse must have won 15 points at US Equestrian "A" rated shows.
IMPORTANT: If the show is "A" rated in the Performance Three-Gaited, Five-Gaited or Fine Harness classes at a show, points will NOT be counted for those classes but will be counted for all Show Pleasure classes if at least one Show Pleasure section (Driving, Three-Gaited, or Five-Gaited) is "A" rated.
- Time Limit on Points:** There is no time limit on earning points.
- Application:** Application must be made on the proper form, be complete in every respect, and be accompanied by application fee of \$10. Application may be submitted by the owner, agent, or other person.
- Drug Rule Violation:** If an owner or his agent has been found to have been in violation of the Drugs and Medications Rule at a specific horse show, no points will be earned by the horse in question for that entire horse show.
- Refund Policies:** Refunds will be made when a) a horse cannot be designated a Champion; b) dual applications are received, in which case the earliest postmark date prevails; or c) at the discretion of the ASHA.
- Approval of Champion:** When the horse has been approved as a Champion, applicant will receive the Certificate of Championship. The prefix CH will be permanently added to the horse's name on ASHA records; a new registration certificate will be issued to the Owner of Record upon return of the old certificate. The photograph of the approved Champion, along with all pertinent information, will be published in the annual edition of the Saddlebred Record.
- Permanent Status:** The designation of Champion is permanent and irrevocable.
- Duplicate Certificate of Championship:** Will be issued for \$35 each.

SADDLEBRED RECORD POINT SYSTEM

Country Pleasure Classes	Limit Classes
Pair Classes	Western Equipment Classes
Novice Classes	Model Classes

SADDLEBRED SELECT

SADDLEBRED SELECT RULES

- Eligibility Requirements:** To be eligible, a horse must be a registered American Saddlebred competing in any divisions recognized by the American Horse Shows Association or in any discipline at an approved competitive event. Applicant or owner must be a current ASHA member.
- Definition of Competitive Event:** A competitive event is defined as an event administrated by an organization regarded as the national or international sanctioning group for that equine activity, i.e., US Equestrian, U.S. Dressage Federation, FEI, North American Trail Ride Conference, American Endurance Ride Conference, U.S. Carriage Driving Association.
- Accumulation of Points:** a) Points are earned toward any Saddlebred Select award level by placing first or second in any competition that has the required number of horses. Points may be earned in any performance or equitation class at a USE recognized horse show regardless of USE A, B, or C rating. b) All points must be earned in the same divisional category for a particular Saddlebred Select award and may not be combined, i.e., points earned in three-gaited country pleasure may not

be combined with points earned in three-gaited show pleasure to earn a single award.

- Application:** Application must be made on the proper form, be complete in every respect, and be accompanied by application fee of \$10. Incomplete applications will be returned. It is the responsibility of the applicant to submit all verified and signed competition results and the proper fee with the application.
- Verification of Results:** It is the responsibility of the applicant to submit official competition results showing the number of horses that actually competed in the event at the time of making application for the award. The results must be verified and signed by the official competition secretary or other authorized person.
- Drug Rule Violation:** If an owner or his agent has been found to have been in violation of the Drugs and Medications Rule at a specific horse show, no points will be earned by the horse in question for that entire horse show.
- Recognition:** ASHA will regularly publish a Saddlebred Select section in The American Saddlebred where award winners will be appropriately honored. Winners will also receive a Saddlebred Select award certificate for each earned level of achievement. Levels of achievement will be noted in the horse's permanent ASHA file.
- Duplicate Award Certificates:** Additional award certificates will be issued for \$35 each.

US EQUESTRIAN ENTRY AGREEMENT

By entering a US Equestrian-recognized Competition and signing this entry blank as the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler or Vaultor or Longeur and on behalf of myself and my principals, representatives, employees and agents, I agree that I am subject to the Constitution and Rules of US Equestrian ("the Federation") and the local rules of the competition. I agree to be bound by the Constitution and Rules of the Federation and of the competition. I will accept as final the decision of the Hearing Committee on any question arising under the Rules, and agree to release and hold harmless the competition, the Federation, their officials, directors and employees for any action taken under the Rules. I represent that I am eligible to enter and/or participate under the Rules, and every horse I am entering is eligible as entered. I also agree that as a condition of and in consideration of acceptance of entry, the Federation and/or the competition may use or assign photographs, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the competition for the promotion, coverage or benefit of the competition, sport or the Federation. Those likenesses shall not be used to advertise a product and they may not be used in such a way as to jeopardize amateur status. I hereby expressly and irrevocable waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation. The construction and application of Federation Rules are governed by the laws of the State of New York, and any action instituted against the Federation must be filed in New York State. See Art. 1502.5.

US EQUESTRIAN RELEASE, ASSUMPTION OF RISK, WAIVER AND INDEMNIFICATION

This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in the Competition to the following: Missouri State Fair

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaultor, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death ("Harm").

I AGREE to release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm caused by me or my horse to others, even if the Harm resulted, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.

I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse at the Competition.

I have read the Federation Rules about protective equipment, including Articles 318 and 1712, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries.

If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions and Agree to assume all of the obligations of this Release on the child's behalf. I AGREE that "the Federation" and "Competition" as used above includes all of their officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations

RULES AND REGULATIONS

1. All exhibitors must comply with the general rules and regulations and animal health requirements for exhibition in the front of this premium book.
2. All divisions must pay \$38.00 per stall and may put two (2) head per stall. All exhibitors must purchase an exhibitor's pin. Entry deadline is July 1.
3. The ages of mules and foals will be reckoned from January 1.
4. Entries in Colt classes must be foaled in the year they are to be shown. All foals will be considered as one year old on the first of January succeeding birth.
5. When on exhibition, each animal must be under bridle or halter, and under control of owner or employee who will wear a number provided by the superintendent of the show.
6. All exhibitors shall present their animals in a reputable manner. Unsportsmanlike conduct will not be tolerated. Violation by an exhibitor will result in the dismissal of the exhibitor from further competition.
7. In ALL halter classes, the showman will be permitted to have ONLY ONE helper.

ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION

1. EXHIBITION REQUIREMENTS ON HORSES AND OTHER EQUIDAE.
 - A. All equidae to be exhibited must be free of clinical signs of an infectious or contagious disease.
 - B. All organized, managed or sponsored equidae shows, rodeos, or competitions will require proof of a negative Equine Infectious Anemia (EIA) test within (12) months prior to the event. An official certificate of veterinary inspection and VS Form 10-11 (or later revision) showing graphic descriptions of all markings needed for identification must accompany each animal showing:
 - 1) Identification, description, of all equidae listed on the certificate;
 - 2) Negative EIA test date, negative test results, the name of the state/federal approved laboratory and the test accession number assigned by the testing laboratory.
 - 3) Photocopies or facsimile copies of the VS Form 10-11 may be accepted if they are legible and bear certification by the testing veterinarian or testing laboratory that it is an official copy; and
 - 4) Missouri origin equidae are exempt from the certificate of veterinary inspection requirement.
 - C. The board, organization or manager of each assembly or event is responsible for insuring that each animal admitted or participating is accompanied by an official certificate of veterinary inspection showing proof of a negative EIA test, and shall not admit or allow participation of animals not so certified. Untested animals cannot congregate with other equidae. The owner of each animal is also responsible to comply with these requirements under sections 267.010 to 267.730, RSMo., and may be assessed civil penalties not to exceed ten thousand dollars (\$10,000) for each violation.

- D. Alteration or substitution of any information on any VS Form 10-11 or certificate of veterinary inspection shall cause the document to be invalid and in violation of sections 267.010 to 267.730, RSMo. and may result in civil penalties not to exceed ten thousand dollars (\$10,000) per violation.
- E. No EIA test is required on suckling foals that are accompanied by their dams. All weaned foals must be tested.

- G. Any sick equidae at an exhibition may be excused by the official inspecting veterinarian. When an official inspecting veterinarian is present, all equidae will be subject to daily inspection. Any equidae entering without proper certificate of veterinary inspection and tests when required will be excused from the show until proper documents and tests are obtained.

BEEF CATTLE HERDSMAN AWARD

The Missouri State Fair will award two \$100 awards, plus attractive plaques, to the herdsman in charge of the two most outstanding beef cattle exhibits. A committee will make inspections to determine the winners. The following points will be considered: 1) cleanliness, grooming, and appearance of the exhibits; 2) handling of feed, equipment, etc. and keeping same out of the alleys; and 3) cooperation, courtesy, and sportsmanship in the exhibit area and show ring.

The 2005 Beef Cattle Herdsman awards were presented to Bradley Waltz and Matt Reynolds.

Best-Kept Beef Cattle Exhibit Barn

The Missouri State Fair will award a plaque, to be hung in the Beef Cattle Office, to the breed that has demonstrated and presented its entire exhibit barn and is considered by the committee to be the best-kept barn during the course of the Fair. The following points will be considered: 1) cleanliness, grooming, and appearance of the exhibits; 2) handling of feed, equipment, etc. and keeping same out of the alleys; and 3) cooperation, courtesy, and sportsmanship in the exhibit area and show ring.

The 2005 Best-Kept Beef Cattle Exhibit Barn was presented to the breed in barns 42, 43 and 44.

RULES AND REGULATIONS

- Exhibitors must comply with all general rules and regulations and animal health requirements for exhibitors in the front of this premium book.
- All entries close July 1.
- All group classes** must be pre-entered by July 1 in order to show. This includes Junior breeding cattle. THERE WILL BE NO EXCEPTIONS.

- Any herd owners desiring to come on grounds or set up their stalls before the arrival date, as stated in the catalog, must check with the Beef Cattle Superintendent. If an exhibitor plans to request an "early release" in order to show at another fair, it will be necessary to have a copy of the entry in that fair, or a letter from the fair stating that the exhibitor has made an entry with them.
- Application for entry in purebred classes must show registry numbers of each animal entered. No application will be accepted until this information is received.
- Substitutions will be allowed on the basis of a heifer for a heifer and a bull for a bull, regardless of age.
- All display or Exhibit beef breeds will be under the supervision of the Beef Superintendent and must remain on exhibition throughout the entire fair. There will be \$25.00 charge per head.

Section A Angus

Amount offered by State Fair	\$10,850.00
Amount offered by American Angus Association	\$ 700.00
Total amount offered in this Section	\$11,550.00

Participation Statement American Angus Association

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered for Open Class Angus Breeding Cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation for the following year.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship, get-of-sire or breeder six-head classes.

Exhibitors must have the original registration certificate on each animal available for inspection at the show. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.

Any female shown with calf at side, calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration at check in.

Only one person at a time shall lead animals into the show ring.

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.

For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition". Included in this is Rule 11: "Effective July 1, 2004, at any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents on any animal exhibited." The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

DNA marker or blood type for parentage verification - Under the Association Rules, each animal for which entry application (registration) is received may be subjected to a DNA marker type or blood type test to verify ACCURACY of PARENTAGE as covered under Association Rules. Staff of the American Angus Association must supervise the collection of DNA or blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.

If a recorded parent is excluded (as a parent) as a result of DNA or blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus herd book, and the registration certificate becomes null and void.

In the 2006 Angus Show, the individual classes will be made up and divided after the cattle are checked in at the show. They will be judged from the youngest class to the oldest class with each class made up of no more than fifteen (15) head to keep the age spread in each class as narrow as possible. Females will be judged first.

Amount offered by State Fair	\$1,505.00
Amount offered by Heart of America Brangus Assn.	\$ 500.00
Total amount offered	\$2,005.00

The Heart of America Brangus Association's percentage of the total premiums paid is paid directly to the show to be included in exhibitor's premium money checks.

Exhibitors must agree to the following:

The Beef Cattle Superintendent will award premiums in this section on a prorated basis.

International Brangus Breeders Association BLOOD TYPING FOR PARENTAGE VERIFICATION

Each Brangus animal for which an entry application or registration is received may be subjected to a blood typing test in order to verify both accuracy of parentage and blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) "Inspection of Exhibits". At selected shows and fairs, blood samples will be taken for all division champions and reserve division champions for the purpose of verifying parentage and blood type. Staff of the IBBA will supervise the collection of blood samples, which can be taken at shows, fairs, and events where the IBBA contributes premium money or where IBBA staff personnel participate. Cost of the blood typing procedure will be paid for by the IBBA.

If a recorded parent is excluded (as a parent) as a result of blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a "Parentage Dispute", and the animal will be ineligible for future shows and exhibitions.

- Determine the USDA marbling grade (to the nearest 1/3 of a grade) which will determine the window the carcass will compete in.
- Rank the carcasses on the basis of this weighted index (adjusted % cutability).
- Carcasses must have a 3.99 competition yield grade or better to qualify for placing in either carcass class.
- A quality grade of Standard or lower will not qualify for placing.
- Dark cutters will be placed at the judge's discretion.
- Placing procedures:
 - Collect all the quality grade and yield grade factors and identify all factors outside the category windows.
 - Determine all quality grades (from USDA chart) and yield grades, where $USDA\ YIELD\ GRADE = 2.5 + (2.5 \times ADJ\ BF) + (.0038 \times HOT\ WT) + (.2 \times \%KPH) - (.32 \times REA)$.
 - Adjust yield grades for non-conformity (carcass wt., adj. BF, KPH and REA outside windows), and record the competition yield grades.

4. The Lean-Retail category will be ranked using 60% on % retail cuts and 40% on USDA marbling score. The Quality Hotel-Restaurant category will be ranked using 40% on % retail cuts and 60% on USDA marbling score.

5. Rank carcasses on overall numeric score within each division.

14. Beef carcasses will be paid on a grid grade-and-yield basis at current market prices. All standard industry discounts for grade, weight, dark cutters, trim, etc. will be applied by the packer.

15. Exhibitors will be responsible for loss due to condemnation or bruise damage.

16. A copy of the final carcass results will be mailed to each exhibitor.

LIVE EVALUATION CONTEST OF

CARCASS STEER SHOW

Monday, August 14

Registration: 12:00 noon - 1:00 p.m.

Live Evaluation begins: 1:00 p.m.

Location: Coliseum

Class	1	2	3	4	5
Junior Division (Anyone under 18 yrs. of age)					
5	\$50 & plaque	40 & plaque	30	20	10
Adult Division (Anyone 18 yrs. & over)					
6	\$50 & plaque	40 & plaque	30	20	10

What is the Live Evaluation Contest? It is an opportunity for individuals to participate in an educational activity associated with selecting slaughter steers by live and carcass traits and criteria. Anyone wishing to participate can enter this contest in the Junior or Adult Division. Age divisions will be as follows: Junior Division - anyone under 18 years of age; Adult Division - anyone 18 years and older.

Ten steers will be selected from the Carcass show entries to be used for the Live Evaluation Contest. A sample demonstration will be given on how to yield grade and quality grade slaughter steers prior to the beginning of the live evaluation contest.

Junior and adult contestants compete by guessing the actual carcass data collected on the 10 slaughter steers which are selected for the contest. Cash prizes will be awarded by the State Fair to the top 5 individuals in each division who are nearest to the actual carcass placings on the slaughter steers entered in this contest. The **MISSOURI CATTLEMEN'S ASSOCIATION** will present trophies to the top two junior and the top two adults. This is an excellent learning opportunity, not only for youth, but also for adults.

SWINE HERDSMAN AWARD

The Missouri State Fair will award two \$75 awards and plaques to the farms with the most outstanding swine exhibits: one for August 14-16, and one for August 17-20. The Swine Herdsman Award for the two sessions of the Missouri State Fair that have purebred breeding stock will be selected according to the following criteria: each exhibitor will be given one ballot at check in time. Exhibitors will nominate and rank three other exhibitors for the Herdsman Award. The ballots will be turned in to the Swine Superintendent's Office by a designated time and the Superintendent will tally the results. Ties will be broken by a committee set up by the Superintendent. The Superintendent will have veto power and if this power is exercised, a committee set up by the Superintendent will select the Swine Herdsman Award winner.

Exhibitors should make their choices on the basis of: 1) cleanliness, grooming, and appearance of exhibits; 2) storage of feed, equipment, etc.; and 3) cooperation, courtesy, and sportsmanship in and out of the show ring. Winners from the previous year will be ineligible to win again for one year. 2005 winners were Rick Whitehead and Steve Linebaugh.

An exhibitor of an animal producing a positive analysis of drugs, unapproved medication or chemical residues, shall be subject to the penalties established by the Missouri State Fair.
10. All medications and feed additives, including Paylean, must be fed according to the product's label.
11. All barrows entered in the Growth and Quality Classic will be weighed and tattooed on Wednesday, August 9, from 10:00 a.m. - 12:00 noon. All purebred barrows are required to have registration papers at the scales.

12. Exhibitors are requested to fill out entry cards, including name, social security number, address, zip code, breed and ID number before weighing in barrows.

15. All barrows entered in the Growth and Quality Barrow Classic will be evaluated on live and carcass merit and acceptable quality lean pork gain per day on test. All barrows will be scanned for 10th rib fat and loin muscle using ultrasound at time of weigh-in by a certified technician in cooperation with the University of Missouri and the Missouri Department of Agriculture.
16. All barrows will be shown on Thursday, August 10, at 5:00 p.m. Classes will be divided using adjusted starting weight regardless of breed origin or youth organization. Each barrow will receive a live score. Each youth exhibitor will receive the traditional gold, silver or bronze premium ribbon during the live competition.

18. All barrows will be loaded for processing immediately following the show. Barrows will be processed by Tyson Foods, Columbus Junction, Iowa. Payment for barrows will be mailed directly to exhibitors.
19. All barrows will be evaluated for carcass quality. Carcass quality will be determined by objective, instrumental evaluation of the cut lean surface of the ham. One ham will be collected from each carcass for quality evaluation:
 *Color evaluation: Light intensity (Reflectance) will be obtained with a Hunter Lab MiniScan XE Plus spectrophotometer on the cut lean surface of the ham *gluteus medius* muscle.
 *Muscle pH: Muscle pH will be obtained with an SFK PH-STAR, glass tipped pH probe by insertion into the ham *gluteus medius* muscle. The meat quality lean index includes the percentage of carcass lean as determined by ultrasonic evaluation, light reflectance (L-value), and pH. Quality Lean Index = (7.76 x %lean) - (.067 x %lean²) - (1.9995 x L-value) + (1.62 x pH).
20. Every effort will be made to obtain carcass quality data on all pork carcasses. Situations where this may not occur include loss of carcass identity due to skinning off tattoo numbers or illegible tattoos, DOA (dead on arrival), carcass condemnation, retained testicles, or unforeseen situations that may arise.
21. Any carcasses condemned will be the responsibility of the exhibitor.
22. An overall ranking will be assigned to each barrow based on three components: acceptable quality lean pork gain per day on test (containing 5% fat) is worth 40%; meat quality lean index is worth 40% and the live score is worth 20%.
23. A copy of the final results will be mailed to each exhibitor.

SHEPHERDAWARD

The Missouri State Fair will award an attractive Plaque to the shepherd in charge of the most outstanding sheep exhibit. A committee will make inspections to determine the winner. The following points will be considered: 1) cleanliness, grooming and appearance of exhibits; 2) handling of feed, equipment, etc., and keeping same out of the alleys; 3) cooperation, courtesy, and sportsmanship in the exhibit area and show ring. A scorecard will be posted in the Superintendent's office. The 2005 winner was Travis Stephens.

DEDICATION

The 2006 Missouri State Fair Sheep Shows are being dedicated to an outstanding Missouri individual or family that is involved in the sheep industry. To add a degree of suspense to the presentation, the individual or family will remain a mystery until the Fair. During one of the scheduled Fair sheep shows, the mystery individual or family will be recognized for their accomplishments in the Missouri sheep industry. The Missouri State Fair encourages everyone to guess who the mystery individual or family will be.

4-H and FFA entries in the wethers and wether dams must adhere to fitting and unloading procedures as outlined in the 4-H and FFA section. All wethers and wether dams will report to the Horse Barn on the southeast corner of the fairgrounds for unloading, health inspection and weigh-in.

All sheep must be inspected prior to unloading.

The Missouri State Fair is honored to host the 2006 National Tunis Show. Several activities are being planned for this event.

- Sheep must be owned by an individual or previous existing firms at least 30 days prior to the opening date of the Fair. Certificates of registry must be presented to the Sheep Superintendent for examination and must show transfer of ownership to the exhibitor 30 days or more prior to the opening of the fair.
- All animals, regardless of age, must be recorded in their respective record associations and wear the private ear tag recorded with the association at the time of showing.
- Only animals owned and shown by a Missouri exhibitor may compete for premiums in the Missouri classes.
- Each exhibitor will be allowed to enter four ram lambs and four ewe lambs in the lamb class.
- Exhibitors will be allowed to show from one to four lambs in any one class, but only four lambs total per sex.
- Lamb classes will be divided by age. Lambs born Sept. 1-Dec. 31, 2005, will be shown in the fall lamb class. Jan. 1, 2006, and after will be divided into classes if numbers warrant (24 head or more entered show day). Classes that are divided will be done so by the Superintendent and posted before show time.
- Each exhibitor will be allowed to enter two yearling ewes. In breeds where 24 or more are entered, the yearling ewe class will be split. Classes will be divided by Superintendent with the first split made by allowing only one ewe per exhibitor in each class. The single entries will be divided by random draw.
- The age of all yearlings will be Sept. 1, 2005, and younger as indicated on the registration paper.
- Open sheep in the first half of the sheep show schedule: **No open sheep to be allowed on the grounds** prior to 8 a.m., Monday, August 14. All sheep must be in place by 1 p.m., Monday, August 14. - Exhibitors may substitute animals for a class in which they have made entry, but exhibitors may not substitute animals to a class they did not enter by the deadline for entries. Late entries will be \$25 per head after July 1, 2006.
- A \$6.00 per animal entry fee will be charged. Animals will be assigned to pens by the Superintendent. All pens will be used to maximum for sheep (use of pens for feed, storage, or cots will not be allowed).

19. There will be no dogs allowed in any barns **whether** on a leash or in a cage. There will be NO exceptions.
20. Natural Colored Coarse and Fine wool classes will be divided. Judge will discriminate against sheep in wrong class, matted and soiled fleece.
21. Some sheep breed associations are suggesting that entries be shown slick shorn. The Missouri State Fair will allow this practice and encourage the judge not to discriminate against such entries. The Missouri State Fair does not make any requirements for the slick shearing of sheep. Check with your breed association as to their promotion of this activity and their terminology as to time and type of shearing. Be sure to comply with all other rules outlined in Missouri State Fair Rules and Regulations.

- To teach exhibitors how to recognize in live lambs those qualities which produce a superior carcass.
- To study lamb carcasses and establish standards of evaluating carcasses.

RULES

- Advance or Pre-Entry of all 4-H/FFA and open carcass show lambs is required.** All lambs entered in the carcass contest will require a \$5.00 per head entry fee. No pen rent will be charged. Wether and ewe lambs are eligible to compete in the contest. All entries must be slaughtered.
- An exhibitor may nominate a total of two (2) lambs for carcass evaluation competition.
- Lambs will be entered into Classes 234, 235, 236, 237, 238, or 239 at time of weigh-in by Fair staff. Exhibitors are required to fill out entry cards at that time, including name, social security number, address, zip code, and breed.
- Open Lamb Carcass Contest wethers and ewes must be in place by 12:00 noon on Wednesday, August 9. All lambs entered in the carcass show need to report to the Horse Barn on the southwest corner of the fairgrounds for unloading, health inspection and weigh-in on Wednesday, August 9, from 8:00 a.m. to 12:00 noon. The live minimum weight will be **110 lbs.** The on-hoof classes will be divided equally and posted prior to the on-hoof show. These entries will be judged in the on-hoof classes on Thursday, August 10, at 7:00 p.m.
- Weigh-in will be conducted and under the supervision of officials of the Missouri Department of Agriculture, Divisions of Ag Business Development and Weights and Measures.
- Anyone who removes an animal from competition automatically forfeits his/her entry fee.
- All entries must be completely shorn after July 12.
- Lambs will be loaded out on Thursday, August 10, immediately following the On-Hoof Show. Lambs will be processed by Iowa Lamb Corporation, Hawarden, IA. The packer will purchase the lambs at current market prices. The Iowa Lamb Corporation will deduct an administration fee of \$3.00 per exhibitor. Payment for animals will be mailed directly to exhibitors from the Missouri State Fair.
- The Missouri State Fair reserves the right to have urine, blood, saliva and/or tissue tests performed on any market animal to detect practices not considered to be normal or usual animal husbandry practices, including the use of anabolic steroids, diuretics, feed additives or drug residues. An exhibitor of an animal producing a positive analysis of drugs,

unapproved medication or chemical residues shall be subject to the penalties established by the Missouri State Fair.

- Carcasses must meet these minimum requirements to be fully evaluated and eligible for placing:
 - Carcasses must weigh at least 44 lbs.
 - Carcasses must grade USDA Choice or Prime.
 - Carcasses must have these minimum loin eye areas:

44-44.9 lbs.	Carcass weight - 2.1 sq. in.
45-45.9 lbs.	Carcass weight - 2.2 sq. in.
46-46.9 lbs.	Carcass weight - 2.3 sq. in.
47-47.9 lbs.	Carcass weight - 2.4 sq. in.
48-48.9 lbs.	Carcass weight - 2.5 sq. in.
49-49.9 lbs.	Carcass weight - 2.6 sq. in.
50 lbs. & up	Carcass weight - 2.7 sq. in.
- The carcass judge has the opportunity to disqualify any carcass due to poor muscling, quality, etc.
- The weight, grade, fat cover, loin eye and reason for disqualification will be reported on all carcasses not meeting minimum standards.
- All lambs condemned by the government inspector will be eliminated from the carcass show at no value.
- All individual lambs meeting the minimum standards will be evaluated and placed using procedures as outlined in the "Recommended Guidelines" for Lamb Carcass Contests, published by the American Meat Science Association in conjunction with the American Sheep Producers Council, Inc.
- The lambs meeting the above minimum requirements shall be placed on an index with the base being the percent boneless retail yield (as derived from the yield grade).
Placing Procedures:
 - Calculate grade and percentage retail yield (fat thickness converts to yield grade and yield grade gives percentage retail yield). Subtract 50 points for 0 mm fat, 25 points for 1 mm fat, and 10 points for 2 mm fat. There is no penalty for carcasses measuring more than 2 mm and less than 7 mm of fat. Carcasses with more than 7 mm fat are discounted through the calculation of the percent retail yield.
 - Establish loin eye minimums based on carcass weight from table shown in rule #10. Add 1 point to index score for each .1 square inch of loin eye over minimum.
 - Check chilled weight for outside of the 44 lb. minimum. Carcass is disqualified if below 44 lbs.
 - Adjust quality grade by adding .5 for 1/3 of grade above low choice.
 - Subtract 10 points for cryptorchids, "bucky" rams and yearling mutton carcasses.
 - Rank according to highest index numbers.
 - Subtract 10 points for carcasses weighing more than 85 lbs. and subtract 25 points for carcasses weighing more than 95 lbs.
- A copy of the final carcass results will be mailed to each exhibitor.

The Missouri State Fair extends an invitation to all dairy cattle exhibitors and friends to attend an awards ceremony honoring this family at 7:30 p.m. Friday, August 18 in the Coliseum.

PRODUCTION AWARDS in milk will be presented in cow classes, except 2-year-old cows. Actual 305 day records will be used for the awards. Projected or mature equivalent records are not acceptable. Records must be sent with the entry form or may be sent to the Missouri State Fair by August 10. (Photocopies are acceptable.)

RULES AND REGULATIONS

Entry deadline July 1.

- Exhibitors must comply with general rules and regulations and animal health requirements for exhibition in the front of this premium book.
- Eligibility for Competition: Every female over thirty months old must have produced a living calf within twelve months or prove to be with calf.
- A policy has been instituted concerning minimum number of exhibitors and head exhibited in order to receive premiums. These rules are listed in the front of this premium catalog.
- Animals, to compose a competitive group, need not be named in the application for entry, but must be named at the time they are shown. Dams of the produce-of-dam classes are to be named at the time of making entry. Animals owned in partnership may be entered in all classes in one owner's name, but must appear under but one ownership. The entry shall carry a footnote showing the actual ownership of the animal as appearing on the herd book record.
Where a herd is registered in the name of different members of a family residing on one farm and where the herd is one unit, all entries from that farm and herd will be considered as that of a single exhibitor in the classes for Dairy Herd, Best Three Females, Produce-of-Dam, Premier Breeder, and Premier Exhibitor. However, for individual animal classes the ownership listed in the registration certificate shall be considered to be the exhibitor. Animals with registration or transfer pending will not be allowed to show unless communication is received by time of the show from registration office of breed association stating animal is acceptable for registration.
- Any exhibitor desiring to make a later entry will be able to do so by paying \$50 per animal. This must be done by 5 p.m., August 10, 2006.
- All dairy cattle exhibitors should enter GATE 4.
- No trucks or trailers will be permitted to park behind the dairy barns except while loading and unloading. After unloading, park in Restricted Lot A. Vehicles found in restricted areas without the proper hang tags are subject to towing at owner's expense.

Unnatural practices in fitting will not be tolerated. Any animal may be subjected to drug testing, testing for adulteration or ultrasound. The following practices or procedures are considered unacceptable and defined as being unethical in the showing of registered dairy cattle:
 - Misrepresenting the age and/or milking status of the animal for the class in which it is shown.

Exhibitors will be asked to undo or remove manipulation before they enter the ring or the judge will give the animal discrimination in class by lowering the animal's rank: 1) setting teats or manipulating a teat to alter its normal position such as to unnaturally hold it plumb or to alter is an unacceptable practice.
 - Minimizing the effects of crampiness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
 - Blocking the nerves to the foot to prevent limping by injecting drugs.

If any animal shall be found to have been tampered with as previously described it shall be disqualified from competition and the party, or parties, responsible for such acts shall forever be barred from further participation in the showing at the Missouri State Fair, and any premium money shall be forfeited.
 - No fitting will be allowed in the show ring or in the immediate surroundings. Refusal to follow practice may result in the animal's disqualification.

MARKETING MILK

Milk produced by cows on exhibit may be marketed by having cows milked in the milking parlor. Exhibitors are encouraged to use this facility; not only is it a convenience, but it helps to acquaint those who come to the State Fair with another facet of dairying. If exhibitors choose not to have cows milked in the milking parlor, they may obtain a milk can and deliver the milk immediately following the milking to the west door of the milk room of the parlor.

NOTE: Do not remove cans from milking parlor without milk room attendant issuing a number and can or cans to exhibitor.

Keep the milk clean. **Do not include milk from a cow that has been given an antibiotic treatment**, either by intramuscular or intramammary injection. Assistant in charge will assist those exhibitors with contaminated milk in disposing of same. **Do not put contaminated milk in the tank!!!!**

Guernsey Showmanship awards are given in honor of **Emery and Hazel Vieten** by their granddaughter, Dr. Karen Campbell Motsinger. Show halters are presented in the open show for two categories: 13 and under and 14 and over.

The FFA is the national organization of agricultural education students in public secondary schools. Active membership includes the ages of 14 to 21. In 2005, Missouri FFA has reached an all-time record membership since the organization's founding over 70 years ago. Missouri FFA membership has shown a steady increase for the past twenty years with enrollment of 13,325 students in 1985, 18,205 students in 1995, and 25,293 in 2005. Research results show that the four-year sequential program in agricultural education provides good basic training for the vocations of agriculture production, agricultural business and service, agricultural technology, natural resources, horticulture and other agricultural professions.

**FFA EDUCATIONAL DISPLAYS AND
AGRICULTURAL MECHANICS EXHIBITS**

This section provides an opportunity for the public to develop an appreciation of this important phase of agricultural education and FFA programs. Also, it provides a means of giving recognition for accomplishments in this area and furnishes opportunities for exchanging ideas.

Every precaution will be taken to protect the exhibits; however, neither the Missouri State Fair nor the officials of this department will be responsible for any losses or damage to exhibits.

**JUDGING AND AWARDS
FFA AGRICULTURAL MECHANICS,
FIELD CROPS, HORTICULTURE,
EXHIBIT BOOTHS AND DISPLAYS**

- Judging** - The judges will place all classes according to merit in ribbon groups. Unworthy exhibits will not be placed.
- Awards** - Ribbons will be awarded as determined by the group placing. Premiums will be paid on a point basis on the group ribbons awarded. The values of a point for these exhibits will be determined by dividing the total points of ribbons awarded for these exhibits into the total money allotted to this section. The point value for the educational and demonstration booths may vary from year to year depending on participation.

FFA EDUCATIONAL BOOTHS RESERVATIONS

- Educational booth space will be reserved by sending an email to Jim Bellis at Jim.Bellis@dese.mo.gov beginning at 8:00 a.m. on February 15, 2006. Chapters should clearly specify whether they are requesting an Educational Booth or Horticulture Booth.
- Entries will be accepted on a first-come, first-served basis except for chapters who requested but who didn't get a booth last year because of space limitations. Chapters who requested but didn't get a booth space in 2005 must still request a booth by the deadline to receive preferential treatment.
- Booths will be limited to 12 entries.
- School will receive the list of chapters with educational booths after March 1.

FFA EDUCATIONAL BOOTHS REGULATIONS

- A space containing a sloping table will be provided for each exhibit booth. Each chapter's space is 5' 4" wide across the front and 6' deep with a solid plywood top. The rear of the table has a 4' high by 5' 4" wide plywood back wall for displaying school banners or exhibit material. Electrical outlets are provided.
- All exhibits shall be in place ready for exhibition by 6:00 p.m., Wednesday, August 9.
- The booths will be placed into Gold, Silver and Bronze ribbon groups, and a Grand Champion booth will be picked. The score card for the FFA Educational Booths will remain the same as in past years.

The scrapbooks should be brought to the FFA Building on August 8, 9 or 10. The books should be picked up on Sunday, August 20, after 6:00 p.m. or on Monday, August 21 before 10:00 a.m.

FFA AGRISCIENCE FAIR

The Agriscience Fair is established to recognize FFA members who are studying the application of scientific principles and emerging technologies in an agricultural enterprise. As the Agriscience Fair evolves in the future, rules and guidelines may change, but the National Agriscience Student Program application, a student interview and a table display will be used as the criteria for selecting the 2005 winners. Eligibility requirements differ from the National FFA application in that participation is open to any current FFA member who is a current high school student or 2006 graduate.

1. Pre-entries must be in the hands of Jim Bellis, Supervisor, Agricultural Education, 17246 Highway K, Aurora, MO, 65605, by **August 1, 2006**. Pre-entry will consist of the National FFA Agriscience Student Application. Because the applications will be scored before the fair, no late entries can be accepted.
2. A table space of approximately 4 ft. wide and 2 ft. deep will be provided each applicant. The display should include the National FFA Agriscience Student Application (which will be returned back to the student) along with pictures, diagrams, charts, and other items which will help demonstrate the student's agriscience project. A self-standing backboard is suggested but may be only four feet high.
3. Entries must be in place by 9:00 a.m. Thursday, August 10 with judging to take place at approximately 2:00 p.m. on the same day. Students must be present for an interview which will consist of 25% of the judging. The interview will be to determine the student's knowledge of the agriscience project and what was learned.
4. The Agriscience application will consist of 50% of the total judging criteria with the interview and project display accounting for 25% each.
5. Each exhibit may consist of one or more panels of information and any objects the student wishes to display. The exhibit panels must be constructed so as to be stable and free standing. BOTH SIDES of the display must be covered with an attractive backing.
6. All projects must have the following information attached to the upper right hand corner of the exhibit: a) Name of person(s) responsible for developing project. b) Grade in school (for the previously completed school year). c) Chapter name.
7. Agriscience project topics should be selected from one of the following five categories.

FFA AGRICULTURAL MECHANICS PROJECTS

- Articles exhibited must have been constructed by FFA members either as part of their agricultural mechanics instruction in agricultural education or as part of their supervised occupational experience programs.
- Entries will be judged separately and independently by three judges on the basis of workmanship, finish, design, strength, usefulness and suitability. Each judge will score each entry on a 4 point scale. The Agricultural Mechanics Chairman will tabulate the final ribbon placing using the following judging scale:
 4.0 - 3.5 Purple
 3.4 - 2.5 Gold
 2.4 - 1.5 Silver
 1.4 - 1.0 Bronze
- A champion and reserve champion rosette will be awarded to the best entry in each of the following point ranges (based on the allowable points for a Purple) in the FFA Agricultural Mechanics show. The selection of these champions will first be based on the total points received by three judges. A tie in points will be broken by the three judges. Champions do not need to have received a purple placing, if no project in the point range has received a purple: 1 to 29 points, 30 to 59 points, 60 to 99 points, 100 to 149 points, 150 to 179 points, 180 to 199 points, and over 200 points.
- Each project will receive an identification number upon arrival. Names of individuals and schools will be placed on the project after judging is complete. School or individual names painted on the project must be covered by the exhibitor. Covers will be removed by the Agricultural Mechanics Committee after the projects are judged.
- No agriculture education instructors or students with agricultural mechanics entries at the State Fair will be allowed to confer with the judges during judging.
- An article can be shown only once at the State Fair, but does not have to be constructed during the year it is exhibited.
- All articles must be painted or properly treated in the case of feeders, etc. All articles must be clean and in presentable condition even though they may have been used.
- Each exhibitor is limited to a total of two entries of the same kind of project.
- The points assigned to projects are based upon the amount and difficulty of the work involved, difficulty and cost of moving, and the cost of materials. The points given below are for average projects of the kind listed. The superintendent may adjust the points up or down within range of 50 percent when a project is unusual in size or difficulty, and it appears necessary in order to keep the points in balance.
- Projects built to be used as one unit should be entered as one entry and not entered separately. (Example: Trailer ramps should not be entered separately from the trailer if the trailer is being exhibited.) The FFA superintendent and the Agricultural Mechanics superintendent will make the final ruling if a question arises.
- All agricultural mechanics exhibits MUST BE on grounds by 6:00 p.m., Wednesday, August 9.
- Exhibits will be released at 6:00 p.m., Sunday, August 20. Premiums will not be paid for exhibits leaving the Fairgrounds before the release time. Exhibits remaining on the grounds after 10:00 a.m. on Monday, August 21, will be unattended.
- A skid steer will be available to unload only. No skid steer will be available on Sunday, August 20 to load projects.

4-H CLUBS
 4-H
**BUILDING SHOWCASE &
 DEMONSTRATION THEATRE**

Missouri 4-H Youth Programs are under the direction of University Outreach and Extension, University of Missouri and Lincoln University.

"Learning By Doing" is the basis of 4-H work, and each year thousands of young Missourians between the ages of 8 and 19 do just that. 4-H members make the items displayed in the Missouri State Fair 4-H Building or raise and train the animals on display in State Fair shows. The Missouri State Fair provides a showcase for the skills and knowledge that 4-H members have gained through their 4-H experiences.

Besides developing practical skills and knowledge, 4-H'ers are developing "life skills". Under the leadership of more than 9,000 adult volunteers, 4-H members learn to make sound decisions, work cooperatively in groups and develop a sense of self-worth and accomplishment. 4-H also fosters leadership, as older youth share their talents with younger 4-H'ers.

We salute all Missouri 4-H members, volunteers and families, and particularly those whose "learning by doing" experiences are represented at the 2006 Missouri State Fair.

ALL ITEMS IN THE 4-H BUILDING HAVE BEEN JUDGED AS COUNTY CHAMPIONS. ITEMS ARE NOT RE-JUDGED AT THE STATE FAIR!

SUPERINTENDENTS - State 4-H Youth Development Specialists

Livestock - Ben Gallup (573-882-3835 or 573-882-1441)

Building Showcase & Demonstrations -

Mary Jo Williams (573-882-3226 or 573-882-1441)

SHOWCASE GUIDELINES

1. Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for ideas and criteria.
2. 4-H members may display only in projects in which they are enrolled in the current 4-H year. Items showcased must be made in the current year and must be the work of the 4-H member submitting the item.
3. Items must be of blue-ribbon quality.
4. Items are displayed at the risk of the individual 4-H member. The 4-H staff, Extension Centers and Missouri State Fair are not responsible for loss or damage to items.
5. A member is limited to two items in the 4-H Building and one demonstration in the 4-H division.
6. All 4-H Building items must be registered either on the Missouri State Fair Voucher Computer Program or on Fair Computation Program report. Special instructions for the preparation of these vouchers will be provided.
7. The number of items per class that a county may display is printed in the right-hand margin of the item list.

The following items will be displayed in the "Library," a special area which allows fairgoers to touch and examine the items: Notebooks (three-ring binders are preferred), Posters (flat only; do not fasten items to the poster), File card systems.

These items will be accepted from any project. Youth who show notebooks, posters, or file card systems should understand that their exhibits will be used and touched.

8. Where the item list states, "any item made," the 4-H member may display any item made in that project. This includes notebooks, file cards, photo displays, posters, or educational displays. Regardless of projects, the following dimensions must be used. Items which do not comply with size or other specifications will not be displayed or receive a premium or ribbon.

Poster - No larger than 14" x 22"; flat only; do not fasten three-dimensional items to the poster.

Photo Display -

*All photos should be mounted on an 11"x14" white or off-white mat board, not to exceed 1/8" in thickness. Poster board or foamcore board is not acceptable mounting materials.

*Photos can be mounted either horizontally or vertically with no writing or labels on the mat board.

*Margins are at the discretion of the photographer.

*A permanent mount must be made using photographic adhesive.

*No photos using glass and/or wooden, brass, plastic frames, etc.

*Photos can be matted with a single window colored mat if appropriate. No double mats accepted.

*To protect exhibits from dust and moisture, photos should be placed in a two gallon ziplock style bag.

*Photos not meeting these guidelines in 2006 will not be displayed or receive premiums or ribbons.

*Photo stories should consist of no more than 4 photographs.

Educational display - Must not exceed 11 inches in height, 12 inches in depth (front to back) and 14 inches in width. Must include three-dimensional items and stand alone. (Posters with items taped to them do not qualify as educational displays. Science fair display boards are too large.)

Entomology or geology display boxes - Box must be exactly 18" long x 24" wide and 3 1/2" deep to fit in display racks. Plexiglass or plastic covers are preferred. No handles or knobs. Boxes will be displayed upright in racks.

Working models - These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered "hands-on" and can be handled by visitors. Working models should require floor space no larger than 14"x22".

Decorated Cakes - The use of forms or pans is recommended. Cakes should not exceed 12" in height or at the base. Cake boards should not exceed 1" margin on each side of cake pan or form.

Must use Royal Icing or Rolled Fondant only. (No real cakes or butter creme icing - displays containing these items will be considered ineligible and will be rejected.)

9. Perishable items such as food, vegetables, crops and home grounds items will not be returned after the Fair. Edible vegetables will be donated to a charitable organization.
10. Photographs of items too large or fragile: All pictures of projects should not exceed 5 x 7 inches, should not be mounted on anything and should not have multiple pictures. Counties should send pictures individually rather than making a poster board of all the pictures. The tag should be attached. Indicate on the voucher that this project is too large or fragile to come. These photographs will not be returned.
11. Electricity exhibits using batteries such as circuit boards should not connect the wires to the battery, rather the wires should be taped behind the battery. Another option is to not attach a battery but indicate "battery goes here". This is to prevent potential fire hazards.
12. All 4-H Building items must be checked in and out of the 4-H Building by State Fair 4-H personnel during established times. (No exceptions will be made.) No early removal or check-out of items is permitted. Items which are not properly checked in or out of the 4-H Building will not be awarded premium monies and/or ribbons.
13. No outdoor exhibit space is available. Please contact the State 4-H office at 573-882-1441 prior to check-in for approval of large oversized exhibits. Determination of items to be showcased will be left to the discretion of the 4-H Building Superintendent based on available space and the safety of fairgoers. Submitting photographs of these items is encouraged. A ribbon and premium will be awarded for the project.
14. Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.
15. All items must have a Missouri State Fair tag securely fastened to the item in a place which is visible to fairgoers. A second identification label is required on all items, except perishable items such as food, vegetables or crops. This label should give name and county of the 4-H member and be placed in an inconspicuous spot. When an item includes more than one piece, each piece must be labeled with name and county. (Examples: jacket and skirt; rocket and rocket launcher; ceramic tea set; mittens, etc., should have an identifying label on each piece.) Textile items (clothing, knitting, visual arts, etc.) should have a label sewn or safety pinned into the item as a second label. Please remove all county or regional ribbons. Vegetable and food tags should be placed in an envelope.
16. Counties who mail or ship their items to the State Fair should enclose one copy of the voucher and a diskette with the voucher in the box with the items, and mail one copy separately to: 4-H Superintendent, 4-H Building, Missouri State Fair, 2503 W. 16th St., Sedalia, MO 65301. Use sturdy boxes. Do not ship cakes or items in glass containers. All items must be properly tagged and ready for display. Counties may ship no more than two boxes of exhibits and must enclose CASH to cover the return shipping or mailing costs.
17. Hams will be dually enrolled in the Youth Class of the Country Ham Class and may become eligible for sale if selected as Champion. The 4-H member is required to complete all open division entry forms and pay the \$2.00 entry fee in the Agriculture Building. Checks must be made payable to the "Missouri State Fair". Only 4-H hams should be checked in and out of the 4-H Building.

18. Fair officials reserve the right to modify point value on items. The assigned point value must be used unless the change is approved by the 4-H superintendent.

General working and Electric Theatre demonstrations are not judged at the State Fair.

1. Demonstrations must have earned a blue ribbon at a county achievement event.
2. Nominations must be made by 4-H personnel on the form provided and received in the State 4-H Office prior to July 15. The 4-H County Staff must sign the nomination form.
3. A member is limited to ONE DEMONSTRATION in the 4-H Division. Team Demonstrations may consist of no more than three (3) members; however, please refer to specialty contests which may have more stringent regulations. **Complete only one form per team demonstration.** List the primary contact under the pertinent information section of the form and then include the other team members' names and complete mailing addresses in the space provided. They will be assigned a date and time as a "team", not as individuals.
4. Demonstrations which involve firearms, live animals, open flames or other unusual circumstances must receive special approval from the State 4-H Office prior to the Fair by calling Patty at 573-882-1441.
5. 4-H'ers selected to demonstrate will be asked to give date preferences. The demonstration schedule is also posted on the Missouri 4-H website after August 1.
6. Demonstrators must provide their own ingredients, equipment and props. An electric outlet, demonstration table and easel will be provided by the State Fair.
7. General demonstrations should not exceed 10 minutes in length.

A poster giving the topic of the demonstration and the 4-H member's name can be displayed on the demonstration table.

What is Youth in Agriculture Day?

Supporting Youth in Agriculture Day is a way to participate in the Sale of Champions.

On Youth In Agriculture Day, 4-H & FFA youth members receive special discounts on admission and carnival rides at the Missouri State Fair. The highlight of the day's activities is the Sale of Champions.

Sponsors of this event will receive recognition during the Sale of Champions and in the printed program. All funds will be used to recognize youth in agriculture with a portion going to the Youth in Agriculture Fund, youth premiums and scholarships.

By combining the financial generosity of several Youth In Agriculture Day Sponsors, we are able to ensure that the youth exhibitors of the Champion Animals are rewarded appropriately for their hard work. Your support of this day provides the resources to encourage our youth to pursue careers in agriculture and related fields.

What is the Sale of Champions?

• A special auction at the Missouri State Fair, featuring the Grand Champion and Reserve Grand Champion Steers, Barrows, Lambs, Meat Goats, pens of Chickens, and pens of Rabbits from 4-H and FFA Livestock Shows.

• The Sale of Champions is one of the biggest agricultural events at the State Fair.

How does Youth in Agriculture Day and the Sale of Champions support youth in agriculture?

• Thirty percent of each animal's auction price goes to the Missouri State Fair Youth in Agriculture Fund, which awards scholarships to young people studying agriculture curriculums at a Missouri college or university. Nearly 230 scholarships have been awarded since 1992.

• The remainder of the auction proceeds go to the youth that exhibited the animal. These proceeds are usually somewhat higher than current market prices.

The mission of the Youth in Agriculture Committee shall be to provide Missouri Agricultural Youth with leadership and personal growth opportunities through educational programs, competitive events and scholarships at the Missouri State Fair financed by corporate and individual sponsorships and the Sale of Champions to be promoted and secured by Youth in Agriculture Committee members.

GENERAL 4-H/FFA LIVESTOCK and DAIRY RULES and REGULATIONS

1. ELIGIBILITY OF 4-H MEMBERS

- Entries in the 4-H Youth Department are limited to Missouri 4-H members who have passed their 8th birthday and have not passed their 19th birthday before January 1 of the current program year and whose enrollment is on file in their University Extension Center.
- Each exhibit shall be owned by the exhibitor and shall represent work accomplished with a 4-H project during the current club year.
- The State 4-H Youth Development Program, through the county office, reserves the right to refuse the approval of entries of club members who fail to observe rules and regulations and hence are not in good standing.
- Every precaution shall be taken to protect the exhibits, but neither the Missouri State Fair nor the State 4-H Youth Development Program will be responsible for any losses or damage to the exhibits.
- Exhibitors are not permitted to show the same breed (regardless of state) in both the 4-H and FFA divisions. For example, if an exhibitor shows Chester White breeding stock in the 4-H show, he/she cannot show Chester White breeding stock in the FFA show, or if an exhibitor shows market steers in FFA, he/she cannot show market steers in 4-H. Animals are designated to a division at the time of entry (July 1) and may not be switched to another division after entries have been received by the Missouri State Fair.
- 4-H members are not eligible to show in the 4-H division of the Missouri State Fair if they belong to a 4-H club in another state or have shown in another state fair 4-H show in the same calendar year.

4-H/FFA OWNERSHIP OF ANIMALS:

One of the objectives in owning an animal is to learn new skills in animal breeding, feeding, management and health. To accomplish this, the member should secure the animal as early in the year as possible. Livestock shows and exhibitions set up minimum dates for length of ownership necessary for exhibiting. For the Missouri State Fair the dates are:

Beef Cattle -	Steers	3/1
	Breeding Animals	6/1
Sheep -	Breeding Animals	7/1
	Market Lambs	6/1

2. ELIGIBILITY OF FFA MEMBERS

- Active members of the FFA who are continuing their supervised agricultural experience program are eligible.
- Junior project workers in the 7th or 8th grades in a comprehensive high school during the previous school year are eligible. Also, 9th and 10th grade students in area vocational school service areas who live in a comprehensive high school district that does not have an agriculture education department are eligible. To be eligible to show, students must be conducting an occupational experience program and keeping records under the supervision of the agricultural education instructor.
- Exhibitors are not permitted to show the same breed in both the 4-H and FFA divisions. For example, if an exhibitor shows Chester White breeding stock in the 4-H show, he/she cannot show Chester White breeding stock in FFA show, or if an exhibitor shows market steers in FFA, he/she cannot show market steers in 4-H. Animals are designated to a division at the time of entry (July 1) and may not be switched to another division after entries have been received by the Missouri State Fair.

D. All animals entered in this department must be the bona fide property of the exhibitor as a part of his/her regular Supervised Agricultural Experience Program. The local advisor is held responsible for the strict enforcement of this rule and is encouraged to accompany the exhibitor(s) to the fair.

E. The date of ownership is the same as listed above for 4-H.

3. CODE OF ETHICS

Believing it is in the best interest of all junior exhibitors to maintain a reputation of integrity and to present a wholesome and progressive image, the Missouri State Fair sets forth the following regulation: 4-H and FFA members are expected to conduct themselves according to the best traditions of their respective organizations. Inappropriate conduct (drinking, stealing, vandalism, and indiscreet behavior) WILL NOT BE TOLERATED. Any violation of this rule will be grounds for disqualifying the exhibitor and/or livestock involved. Further, any premium monies earned will be forfeited.

WHAT'S THE REAL PURPOSE OF

YOUTH (4-H & FFA) LIVESTOCK PROJECTS

One purpose is to teach young people how to feed, fit, and show their animals. The more important purpose is to provide an opportunity for personal growth and development of the young person.

The Josephson Institute of Ethics has developed a curriculum which identifies six core values which may help to better describe the value of youth livestock projects. This curriculum also presents the idea that people develop and strengthen character by practicing certain behaviors just as muscles are built through exercise.

Therefore, the purpose of the youth livestock program (4-H and FFA) is to provide opportunities for young people to develop character. The character traits identified and some practices (exercises) that may build character follow:

A. **Trustworthiness** - includes honesty, promise keeping and loyalty.
 - daily feeding, watering of animals (promise keeping)
 - adheres to possession deadlines (honesty)
 - adheres to withdrawal times on drugs and de-wormer
 - only the appropriate use of approved drugs

B. **Respect** - includes courtesy and proper treatment of people and things.
 - proper handling of animals, treat humanely
 - proper care of animals
 - listens to and follows advice of advisors
 - recognizes that animal projects are dependent on 4-H'er and provides daily feed and water

C. **Responsibility** - includes the pursuit of excellence, accountability and perseverance.
 - daily feeding and watering (even on the busy, difficult days)
 - goes beyond providing the daily needs of the animal in giving additional time and attention to produce a winner
 - adheres to deadlines for entry forms and for arrival at livestock shows
 - never gives up in the show ring (perseverance)

D. **Fairness** - involves consistently applying rules and standards appropriately for different age groups and ability levels.
 - feed only approved livestock rations
 - only the appropriate use of approved drugs
 - accepts winning or losing with grace
 - conduct in the show ring follows recommended procedure
 - fitting and grooming of animals follows recommended procedures

E. **Caring** - promoting the well being of people and things in a young person's world. It denotes action and not just feelings.
 - daily feeding and watering
 - provides clean barn/stall for animal
 - treats animal humanely at all times

F. **Citizenship** - includes making the home community and county a better place to live for themselves and others.
 - accepting instructions
 - winning and losing with grace
 - helping others at stock shows
 - teaching younger members
 - treating animals humanely
 - ensuring that your meat animal is safe for consumption

4. **Once a market animal (steer, barrow, or market lamb) has been offered for sale or is sold, it will not be allowed to be shown at the Missouri State Fair.** (Exception will be made only if a premium sale is held locally or if a Missouri State Fair Advance Sale Agreement is signed by all parties and is presented to the livestock superintendent when checking in livestock at the Missouri State Fair.)

The Missouri State Fair reserves the right to have urine, blood, saliva and/or tissue tests performed on any market animal to detect practices not considered to be normal or usual animal husbandry practices, including the use of anabolic steroids, diuretics, feed additives or drug residues. An exhibitor of an animal producing a positive analysis of drugs, unapproved medication or chemical residues shall be subject to the penalties established by the Missouri State Fair. In the event that an animal perishes on the Missouri State Fairgrounds, it becomes the property of the Missouri State Fair. The Superintendent of the department, or the appropriate State Fair Staff member, will secure the carcass and hold it until it is released by the Livestock Superintendent for postmortem inquiry at the direction of the State Veterinarian. Any violation of this policy will result in forfeiture of all exhibitor premiums,

immediate dismissal from the fairgrounds and other actions as deemed appropriate by the Missouri State Fair, and legal referral as deemed necessary by the State of Missouri.

5. JUDGING

The judges will place all classes according to merit in gold, silver, and bronze ribbon groups. Inferior animals will not be placed. The gold group will be ranked to ten places.

6. AWARDS

Gold, silver, and bronze ribbons will be awarded as determined by the group placing. In addition, conventional color ribbons will be awarded in each of the livestock classes for the top exhibits. Premiums will be paid on a point basis in relation to the group ribbon awarded. In the cattle classes, the point value of the ribbons are: gold-60, silver-40, and bronze-20. In hogs, sheep, and dairy goat classes, the point values of the ribbons are: gold-24, silver-16, and bronze-8. The value of a point for livestock will be determined by dividing the total points of ribbons awarded in the 4-H and FFA livestock shows into the total money available for livestock premiums.

7. ENTRIES

4-H and FFA entries are required by July 1. 4-H and FFA members must make entries on the form available from county University Extension Centers or vocational agriculture instructors. Special care should be made to enter only those animals that will be taken to the fair.

A. All livestock entries must be sent to: Missouri State Fair Entries, 2503 W. 16th St., Sedalia, MO 65301. Entries must be made on entry forms provided by the Missouri State Fair Office, Sedalia, and must include payment covering necessary pen rent, stall rent, and admission. Make all checks payable to: Missouri State Fair. **Do not include monies for dormitory and meals with livestock entries. Please make separate checks.**

B. Each livestock exhibitor 13 and older must purchase an exhibitor's pin.

C. **ENTRY FEES:** Each FFA or 4-H livestock exhibitor must pay entry fees of: \$25.00 per head on beef cattle, \$15.00 per head on market steers, \$20.00 per head on dairy cattle, \$6.00 per head on swine - boars, gilts and on-foot barrows, \$10.00 per head on quality and growth classic barrows, \$6.00 per head on sheep (breeding, 4-H/FFA market lamb, wether dam) and \$6.00 per head on goats.

D. All FFA field crops and agricultural mechanics entries should be made upon arrival at the fair. Field crops and agricultural mechanics exhibitors are not required to purchase an exhibitor's pass or pay entry fees.

E. All 4-H Building exhibits, classes 400 and up, are limited to one entry from a county except where specifically designated.

F. The instructor of agriculture education (for FFA) or youth specialist (for 4-H) is responsible for checking and signing all entries for exhibitors.

G. Exhibitors must check the boxes in both the youth show and open show. Exhibitors will be entered automatically in the open show, no open fee required. Dairy cattle, dairy goats, sheep and swine exhibitors are required to check entries with both the youth show and open show superintendents after arriving at the Fair. Sheep and swine exhibitors will be expected to complete award cards for the 4-H, FFA and open shows. 4-H, FFA and beef cattle exhibitors are required to check entries with both the youth and open show superintendents upon arrival at the Fair. (NOTE: Some beef breeds do not have open numbers in the book as classes are broken at the Fair.)

H. If an exhibitor wants to show an animal in the open show, and the animal is not eligible in the 4-H or FFA show, the exhibitor should make the entry according to the open show regulations and pay the open show fees. An exhibitor entering in both 4-H or FFA and the open show is required to purchase only one exhibitor's pass.

I. Exhibitors desiring to be penned or stalled together must signify on their entry form when they pre-enter their livestock.

J. Only those breeds listed in the catalog are eligible for show in 4-H or FFA departments.

K. Any party desiring to make a late entry will be able to do so by paying \$100 per head. This can be done up to 12 hours before the show's earliest arrival time.

8. PENS AND STALLS

Livestock will be assigned pens and stalls by the open superintendent. Upon arrival, exhibitors should check with the open department superintendent for pen or stall assignments.

9. YOUTH BUILDING

Sleeping quarters in the Youth Building will be available on an assigned basis. Instructions for requesting reservations and youth dormitory rules and regulations are available in the back of this section and entry blanks are available in this on-line premium guide.

10. CHECK-IN WITH SUPERINTENDENTS

Upon arrival at the fairgrounds, contact should be made with the open livestock superintendent and the youth livestock superintendent for the division. It is the responsibility of the exhibitors to have their entries checked with those entered into the show books. Official health certificates and registration forms, where applicable, will be examined at this check-in time as well as any Advance Sale Agreements.

11. **HOUSING**
All exhibits shown in the 4-H or FFA buildings must be housed according to the instructions of the 4-H or FFA Building Superintendent in charge.
12. **HEALTH CERTIFICATES**
Health certificates will be checked by the state veterinarians at the time of arrival. Be sure to have all necessary health certificates as required in the general rules and regulations of this on-line premium guide.
13. **REGISTRATION CERTIFICATES (Attention exhibitors...)**
Each animal must be registered in the name of the exhibitor and registration certificates must be filed with the superintendent of the department as soon as possible after arrival. Animals not meeting breed association standards will be subject to disqualification. Exhibitors whose registration papers do not show the date of animal ownership transfer must have a letter from the breed association verifying the date of ownership transfer.
14. **PARTNERSHIP LIVESTOCK: 4-H MEMBERS**
4-H members may own the 4-H project livestock in partnership (joint ownership) with other 4-H and/or FFA members who are: brother/sister; blended brother/sister; foster sibling; exchange students residing with your family; residential group home members; parents and grandparents and/or legal guardians.
In the case of Breeding animals, when project animals are jointly registered/owned, all individuals' names involved in the partnership must appear on the registration papers.
Dually registered animals shall be exhibited by only one owner for a show. At the time of entry, members should identify which animals are to be shown by each exhibitor and it is not allowed to switch to another division after the entries have been received by the MSF.
An individual animal may only be shown in 4-H or FFA, but not both. (Rule E, in the "Eligibility" section further clarifies that a member in both FFA and 4-H is not permitted to show the same breed category in both organizations).
15. **PARTNERSHIP LIVESTOCK: FFA MEMBERS**
FFA members who own livestock in partnership may have them registered jointly, and each member may show the same number of head as if they were individually owned. However, the entry sheet must show which animals are to be shown by each exhibitor. The exhibitor's name must appear on the registration papers.
16. **NOSE PRINTING STEER, MARKET LAMBS AND MEAT GOATS**
 - A. Each Agriculture Teacher and Extension Agent will be responsible for mailing or delivering ALL cards to the Missouri State Fair by the deadline specified in this premium catalog. Nose print cards will only be mailed to and received from Agriculture Teachers and Extension Agents. No nose prints will be accepted from individuals. There will be no exceptions.
 - B. The deadline for providing a legible nose print on a card with proper identification is March 15 for steers and June 15 for lambs and meat goats. (Faxes are not acceptable; postmarks must meet deadline dates; metered mail is not preferred, but if used, please allow sufficient time for delivery.)
 - C. Nose prints must be on the card provided by the Missouri State Fair and show the date, exhibitor name, county, and animal ID number. The ID number may be a tattoo or ear tag.
 - D. The nose print card is for file reference only and does not constitute an entry into any class. Normal entry procedures must be followed per the Missouri State Fair 2006 premium guide.
 - E. Each exhibitor may nominate a total of six (6) steers. These may be the same or different breeds. Steers may be purebred, crossbred or a combination to be nominated.
 - F. Each exhibitor may nominate a total of ten (10) market lambs. A given animal may be nominated by brother or sister on separate forms.
 - G. Each exhibitor may nominate a total of ten (10) meat goats. A given animal may be nominated by brother or sister on separate forms.
 - H. An exhibitor may enter an animal in the Missouri State Fair that does not have a nose print on file, but such animal will not be eligible for breed champion or Grand Champion in that division.
17. **SHOWING**
 - A. Exhibitors must exhibit their animals. The 4-H or FFA Superintendents may permit another Missouri junior exhibitor to show an animal in case of illness or physical handicap.
 - B. Uncontrollable animals or an animal which the exhibitor cannot handle alone may be disqualified by the Superintendent and required to leave the ring. If a beef cattle animal gets loose twice it will be dismissed from the show ring and the judge will classify it into a ribbon grouping.
 - C. In cases where a member has more than one animal in a class, another Missouri junior exhibitor must show the second animal.
 - D. Minimal assistance is allowed by another Missouri junior exhibitor at the discretion of the Superintendent.
 - E. All 4-H/FFA sheep, steer, barrow and dairy shows will have an exhibitor meeting prior to show.
 - F. 4-H will show first in all species. Example: rather than alternating every other year with FFA showing sheep at 8 a.m. one year and 1 p.m. the next, 4-H will always show first.

18. **DUALLY REGISTERED ANIMALS**
Dually registered animals may not be exhibited more than one time in 4-H or FFA classes except as part of a group or championship class.
19. **GROOMING PRACTICES AFFECTING CONFORMATION & STRUCTURE**
Every exhibitor, in consideration of his/her entry being accepted by the Missouri State Fair, specifically represents that no animal entered by the exhibitor is fitted by alternating the natural conformation, normal dental development, structure of the animal or altering the color or structure of the hair or wool coat in any way except for trimming or blocking. Every exhibitor agrees to submit the entry for any inspection deemed appropriate by the veterinarian, official or committee. In the event any such animal is declared to be artificially altered in conformation and structure, the Committee and Missouri State Fair officials may permanently bar such an animal and the exhibitor from further competition in the Missouri State Fair and require the immediate return to the Missouri State Fair of all premiums, monies, trophies, and ribbons awarded to the disqualified animal(s).
Specifically: Any animal showing evidence of sharp practices (such as surgical removal of excess brisket or dewlap skin, filling with oil or other foreign material, etc.) will be barred from the show as will the exhibitor of such animals.
Painting, dyeing and use of color agents on animals is not condoned by State Fair officials. Animals which show evidence of this will not be permitted into the show ring. If a color or coloring agent rubs off an animal rubbed with either a towel or hand, that animal will be disqualified.
After a class has been placed in the show ring, officials reserve the right to re-inspect animal for color or sharp practices. If such is found the animal will be barred from further championship competition and forfeit all premium money.
All animals will be subject to both urine, blood and tissue analysis for diuretics and anabolic compounds and feed additives or drug residues at the discretion of the show management or state-federal inspector. Positive test will result in forfeiture of premiums and sale money.
Animals are to be groomed/clipped by the 4-H or FFA steer exhibitor, Ag Teacher with assistance from the immediate family or other 4-H or FFA steer or breeding exhibitor only. (Immediate family is defined as father, mother, brothers and sisters of the exhibitor.) All animals will be groomed/clipped in barns or immediately adjacent to the barns.
20. **ABUSE TO ANIMALS**
Should any physical abuse be observed toward an animal, either in the barns or in the show ring, by the exhibitor or his or her agents, the Superintendent has the authority to excuse the exhibitor and show animal from the show.
21. **FFA CHAPTER-OWNED EXHIBITS**
Chapters exhibiting chapter-owned livestock or other exhibits are subject to the same regulations as an individual exhibitor.
22. **SPECIALS**
Only livestock classified in the gold ribbon group are eligible to receive the livestock special awards.
23. **FEED AND BEDDING**
An exhibitor may bring in feed, forage, and bedding for his/her own use during the State Fair. Space in the barn is for livestock exhibit purposes and may not be used for storage of feed or bedding. For further information, refer to concessions, feed and forage department in this premium guide. Superintendents will not require feed releases.
24. **PUBLIC RELATIONS**
 - A. All stalls and pens must be cleaned before 8:00 a.m. each day and refuse deposited as directed by the Superintendent. No advertising of feeds or other agricultural products will be permitted in or around the grounds or stalls.
 - B. All cots, bedding and other personal belongings must be kept out of the aisles and stalls between 8:00 a.m. and 8:00 p.m.
 - C. Cattle may be led to tie-out areas after 7:00 p.m. and must be returned to stalls by 8:00 a.m.
 - D. Exhibitors are encouraged to wear T-shirts and other identification representing their organization and use stall exhibitor cards.
 - E. Behavior of exhibitors will influence public opinion of their organizations. They will be expected to conduct themselves in a proper manner.
25. **COMPLIANCE REGULATION**
Exhibitors who refuse to parade their animal(s) when asked to do so by the Superintendent in charge, or who otherwise disobeys rules laid down in the premium guide, will thereby forfeit their rights to exhibit and any premium they may already have won. All livestock exhibits will be exhibited at the sole risk of the exhibitor.
26. **FFA PREMIUM PAYMENTS**
No premium payments will be made to FFA members at the fair. All checks for premium payments will be payable to the exhibitors and mailed to instructors of vocational agriculture immediately after the close of the fair.
27. **DOGS**

a show or those trained to aid a disabled person (seeing eye or hearing).

28. All animals must have been born within the dates specified in the classes identified.

RULES AND REGULATIONS

- Exhibitors must comply with general rules and regulations and animal health regulations for exhibition in the front of this premium book.
- Fees and admission prices are in the front of this premium book.
- Competition is open to the world. Disqualified birds will not be considered as competition. All Frizzles will compete in their respective clean or feather legged class.
- The American Poultry Association rules are adopted by the State Fair and become a part of the rules of this show. The American Standard of Perfection issued by the American Poultry Association is the only acceptable standard used in judging poultry. Only those breeds and varieties listed in this premium catalog will receive premiums. All other chickens will be grouped in the "Any Other" listing for Large Fowl and Bantams. Birds entered in these categories may be judged more than one to a coop to conserve coop space. These will be judged as one breed and variety. Ribbons will be awarded but no premiums will be paid for the "Any Other" classes.
- All entry blanks and fees must reach the Missouri State Fair office no later than July 1. This rule will be strictly observed. An entry blank is included in this premium guide.
- Coop space is limited. Entries will be accepted until all coops are full or July 1, **whichever comes first**. Any entries received after all coops are full will be returned.
- Exhibitors are requested to identify each bird on their entry blanks by leg band number.
- POULTRY EXHIBITORS MUST PURCHASE** an exhibitor's pin and exhibitor vehicle pass. Entries received without payment for these passes will be returned.
- No exhibitor camping is allowed behind the Poultry/Rabbit Building. Camping is available in the inner campground, by reservation only, on the camping reservation form in this premium guide, or the West Campground, which is on a first-come, first-served basis.
- No poultry will be cooped before 1:00 p.m., Tuesday, August 8, or after 8:00 a.m., Thursday, August 10. Those who deliver birds by truck or car should enter grounds by Gate 11 during its scheduled open hours.
- Each coop will be marked with a number card which will carry the name of the exhibitor, breed, age and sex of the bird, and the band number. Coops will be assigned in advance and the cards affixed to the coops. Upon arriving, the exhibitors will house their own birds under the supervision of the Superintendent.
- The greatest care will be taken with all poultry, but the management will not be responsible for any accident, mistake, loss or damage, regardless of cause.
- During the Fair, no specimen can be removed except by order of the Superintendent.
- Substitutions will be permitted. The Superintendent must be notified by phone by August 5. No substitutions will be taken at the show.
- Birds will be released at 4:00 p.m. Monday, August 14. Birds must be picked up no later than 7:00 p.m. Those birds not picked up by 7:00 p.m. will become the property of the Missouri State Fair and will be disposed of as seen fit.
- Premium checks will be mailed to the exhibitor after the close of the Fair.
- Premiums will be paid on a pro-rated basis.

4-H and FFA Joint Show

- Entries are open to 4-H or FFA youth who are members in good standing with their respective organizations. FFA members must have included poultry as part of S.A.E. program. 4-H members must be enrolled in poultry projects.
- Health rules, entry coop fees and qualifying requirements are the same as the Open Show.
- The 4-H and FFA Poultry Show will be judged on the Danish System. Gold, Silver, and Bronze ribbons will be awarded as determined by the group placing. Premiums will be paid on a point basis in relation to the group ribbon awarded: Gold-6; Silver-4; Bronze-2. The value of a point will be determined by dividing the total points for poultry show into the total money available for the 4-H & FFA Poultry Show. In no case will the point value exceed 50 cents.

- Entries are to be made on the entry blank in this premium guide. Entries in the 4-H and FFA show will also compete in the open show at no additional charge.

EXHIBITION REQUIREMENTS FOR POULTRY

- Poultry must have no signs of contagious or infectious disease. Poultry must have a VS Form 9-2 (or similar certificate) showing a negative Pullorum-Typhoid test within the past ninety (90) days to exhibition, or originate from a flock approved by the National Poultry Improvement Plan (NPIP). Waterfowl are exempt from this testing requirement. A representative of the department shall have access to the event and may inspect or test poultry as considered necessary.
- Sponsors of any poultry exhibit must notify the state veterinarian at least thirty (30) days prior to the exhibition with names, places, dates and times of the event. The sponsor shall keep records for one (1) year, including owner information, species, breed, type and pullorum-typhoid status of poultry exhibited.

RULES

1. Specimen blooms are judged on color, form, stem, bloom position, substance or condition, distinction and foliage (blooms must have at least one set of leaves).
2. Any number of entries may be made by an exhibitor in any specimen class.
3. Seedlings may be entered in any class in the show.
4. When the number of blooms is fixed, there can be only one bloom per stem. The exhibition of any greater or lesser number disqualifies the entry. All side buds must be removed, except in arrangement classes and multi-bloom exhibits of ten or more.
5. Blue ribbon winners only will be eligible for special awards except in the choice of the "Largest Bloom in Show," where all single blooms of show quality will be considered.
6. The use of artificial material to support dahlia stems above the container, such as wire, splints or cords, will disqualify the exhibit except in the arrangement section. The use of wedges in the neck of the container in single bloom classes will be permitted. Base support in baskets and special display vases are permitted. Single specimen containers and wedges will be furnished.
7. All dahlias in competition shall be classified as to color and type in accordance with the current Official Classification of Dahlias sponsored by the American Dahlia Society (ADS). Any varieties not so listed shall be referred to the committee members in charge of classification, and have the entry tags signed by one of them. The judges shall be instructed to judge only in accordance with the official classification list and disqualify entries at the time of judging when entry tags of varieties not listed are unsigned. Entries placed in the wrong class as to color or type may be moved by the show chairman before judging. Rules of American Dahlia Society will be consulted for additional rules if needed.

MISSOURI TEAM PENNING ASSOCIATION

TEAM PENNING CONTEST RULES

2005 - 2006

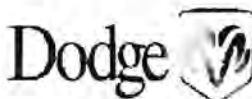

1. The penning year will run from October 1st to July 31st.
2. No penning contracts will be accepted prior to September 1st of the upcoming penning season.
3. All MoTPA sanctioned contests must be open to all contestants, and no restrictions may be placed on age, sex, or number of entries, provided entries and fees are properly received prior to entry closing time. A member of the association can be suspended and denied participation privileges upon a 75% vote of the board of directors. Any bad check must be made good before a person can participate in another event.
4. All MoTPA sanctioned contests must be approved by the MoTPA.
5. Contests must be published prior to the event. Management is encouraged to publicize pennings widely.
6. All MoTPA sponsored contests must be exactly as advertised on the entry regarding go-round, payoff, etc.
7. In MoTPA sanctioned contests, tie downs may be used on horses. Faulty equipment is not a reason for re-ride.
8. Pending extreme conditions (animal and/or weather), with the approval of a director and/or cattle supplier, a penning may run the classes on a progressive time after ten (10) times are set. This can only be done at the beginning of a class. Progressive time will not be used in the Youth Class.
9. There must be 125 miles between two pennings scheduled on the same day. For pennings within 125 miles of each other scheduled on the same day, the promotor who had a weekend penning this year will get seniority over a newer promotor. The first penning who had the penning scheduled gets first choice if the contract check are received on the same day.
10. No one can be raised or lowered after riding in 8 pennings. New members will be rated by opinion until they have 8 pennings, then their number will be put into the performing rating formula.
11. If a rider is moved to a #4 penner, their points from the #5 class cannot be transferred toward year end awards.
12. Penners will be allowed only 1 trash calf at a time with no more than three head across the line.
13. In the short goes, if a promotor uses 30 head of cattle, the teams going back to the short go will all run on 1 set of cattle. If a promotor uses 24 head of cattle, the top teams going back to the short go will use 2 sets of cattle and the teams split if there are more than 8 teams.
14. Youth penners cannot be rated higher than a #3 penner. Youth, 12 & under, will be rated by director opinion.

MoTPA CLASSES

1. The order of the classes at a MoTPA sanctioned penning will be: Open and Over 50, Youth, #9 and #5.
2. Open Class: There must be a mandatory open class at each MoTPA penning. The Open class will use a 60 or 75 second time limit and 24 or 30 head of cattle (both promotor's option) on three head and have a short go. The number of teams to the short go will consist of the number of places given points (determined by number of teams) plus two, with a maximum of ten teams going back. Cattle charge will be \$24.00 with no cattle fee being paid for the short go.
3. Over 50 Class: There must be a mandatory Over 50 class at each MoTPA penning. The Over 50 class will use a 60 or 75 second time limit and 24 or 30 head of cattle (both promotor's option) on three head. There will not be a short go.
4. Youth Penning: There must be a mandatory youth penning at each event. Youth penners will use 24 or 30 head of cattle, with a 60 or 75 second time limit (both promotor's option) on three head. Age limit is 16 and under as of the beginning of the penning year.
5. Number 9 Penning: There must be a mandatory #9 penning at each event. Number 9 class will use 24 or 30 head of cattle with a 60 or 75 second time limit (both promotor's option) on three head and have a short go. The number of teams to the short go will consist of the number of places given points (determined by number of teams) plus two, with a maximum of ten teams going back. Cattle charge will be \$24 with no cattle fee being paid for the short go.
6. Number 5 Penning: There must be a mandatory #5 penning at each event. #5 penners will use 24 or 30 head of cattle with a 60 or 75 second time limit (both promotor's options). #5 and #4 riders **will not** be allowed to ride in the #5 class. #3 riders can ride in the #5 class. #1 riders can ride 6 times only in the #5 class.
7. A team consists of three riders. After a three person team competes in one go-round, if one person is unable to compete for some reason, it is the option of the two remaining contestants to compete if they desire, but in no event may less than two persons compete. There will be no substitution of riders. Substitution of riders will only be allowed at the finals. Substitutions may be allowed after the draw is made and during the finals for the following reasons. Death in immediate family (parent, child, brother, sister or grandparents), providing funeral is

scheduled same day as competition or arrangements are being made. Injuries that are either visible or with a doctor's letter, of a disabling problem to prevent contestants from competing. Substitution must be of equal rating or below and not full in the class. All at the Board of Directors discretion.

8. A person may compete a maximum of four (4) times in the Open, Over 50, Youth, #9 and #5 classes. However, one person must change on each team.
9. The Draw: Penning is a "luck of the draw" sport and both team positions and cattle numbers must be assigned by an impartial draw. Once the order of the draw is established, it may not be changed other than in a hardship by mutual consent of the teams changing positions, and this only with the approval of the director. If a team drops out after a go-round starts, their cattle number will be drawn in the order the team would have run and the drawn number will not be used. **No refunds will be given.**

ENTRY

1. All members of a team must enter on the same entry form with their correct first and last name, MoTPA rating and MoTPA number to receive points.
2. Entry fee: Open and #9 Classes - \$60.00 per team; \$3.00 goes for the Association fee, \$3.00 is split between the 2 flaggers and the 2 timers, \$30.00 for prize money, \$24.00 cattle charge. Over 50 Class - \$45.00 per team; \$3.00 goes for the Association fee, \$3.00 is split between the 2 flaggers and the 2 timers, \$19.00 for prize money, \$20.00 cattle charge. Number 5 Class - \$45.00 per team; \$3.00 goes for the Association Fee, \$3.00 to judges, \$19.00 for prize money, \$20.00 cattle charge. Youth Class - \$15.00 per team; \$9.00 for prize money, \$6.00 cattle charge. The judges fee for the short go in the Open and #9 class will be paid as follows: 1/3 (25 cents) donated by the judge, 1/3 (25 cents) deducted from MoTPA fees, and 1/3 (25 cents) deducted from payback.
3. In the event a person is in 5 times, the 5th ride will be pulled from the draw before the class starts. If it is not discovered until after they ride the team will be disqualified.
4. If a team had been misplaced in another class (i.e. a ride marked open was put in with the #9 envelopes) the team will go in the order of the number drawn by the team member with the poker chips since the Open and #9 classes are drawn with chips.
5. Day passes will be allowed for the Youth, #5 and over 50 classes **only** for \$1.00 per day. Points will not count toward year end awards or towards number of pennings needed to attend the finals. The Open and #9 Class riders **must** be members and rated. Membership forms must be filled out and signed for both day passes and memberships.

MISSOURI STATE FAIR CHAMPIONSHIP BULL RIDING

Sponsored by

AUGUST 18-19

Dodge  ARENA

For more information www.dodgechampionshipbullriding.com

ARENASPECIFICATIONSANDREGULATIONS:

1. Pen size, shape, and placement - In sanctioned contests, the open end of the pen shall be 75% of the distance from the cattle wall to the opposite end of the arena fence, with the following specifications: The wing and back panels shall be 16 feet in length. The hole shall be 16 feet in width from the arena wall. The depth of the pen shall be 24 feet in length. The front side of the pen shall consist of an 8 foot panel with a 10 foot opening. The starting line is marked by suitable markers on both sides of the arena. An actual line is not drawn in the arena, since this spooks some cattle and horses. The foul line will be no more than 50% and no less than 40% of the arena or no more than 100 feet from the cattle wall. A banner **should** be placed on the back of the pen.
2. There will be two flaggers, one on the starting line, and one on the pen opening. A flagger who begins a go-round must flag the entire go-round except in an emergency.
3. The number of times cattle are used is left up to the discretion of the cattle supplier and the MoTPA District Director. Management should make sure all cattle are healthy, two-eyed and workable. Even so, an occasional animal may be hurt during the contest or a wild one may jump out. Exceptionally wild cattle should be eliminated before the contest. A Director or an appointed person shall approve the cattle before the performance and make decisions on the cattle during the contest. His decision will be final.
4. All contestants and arena personnel must wear western attire which includes a western hat or protective head gear, riding boots, full length pants/dress and a collared shirt with sleeves, fastened appropriately and tucked in. Arena personnel includes: two flaggers, two timers and the herd settlers. Any infraction of the dress code will result in a disqualification.
5. To be a sanctioned penning a director or their alternate must be in attendance to be considered an official penning. A director or their alternate will be responsible for making the draw except for the Open and #9 Class where poker chips will be used to make the draw at time of entry.
6. If there is more than one unreadable or unidentifiable cattle number in a set, the numbers shall be fixed immediately.
7. There must be twenty-four or thirty head of cattle (promotor's option) in the arena as each team begins their run. In the event that there is a wrong total amount of cattle (24 or 30 head, promotor option), all teams that have ran on that set must be given re-rides. However, if the wrong amount of numbers (i.e. 4-#5's, 2-#2's) are in a set only the teams affected will be re-ran at the end of that go-round. The cattle numbers must be redrawn.
8. To be a sanctioned penning there must be at least 3 certified judges. If one of the 4 judges is not certified this judge must be the back-up timer only and be paid \$.50 per team and the 3 certified judges being the line judge, pen judge and head timer will be paid the same, of \$.75 per team.
9. You must have your hat on when the ride starts. If your hat falls off when you start and it does not fall on the cattle side of the line you will be disqualified. At the judges discretion, you maybe disqualified for intentional misuse of a hat. If you intentionally remove your hat from your head you will be disqualified.

POINTS

1. Only those card carrying members participating on a team will have their points accumulated for year-end awards.
2. Teams will receive points based on the number of teams entered. (See points system below.)

PLACES	POINT SCALE									
	1	2	3	4	5	6	7	8	9	10
	Number of Teams									
1 - 4	1									
5 - 9	2	1								
10 - 14	3	2	1							
15 - 19	4	3	2	1						
20 - 24	5	4	3	2	1					
25 - 29	6	5	4	3	2	1				
30 - 34	7	6	5	4	3	2	1			
35 - 39	8	7	6	5	4	3	2	1		
40 - 44	9	8	7	6	5	4	3	2	1	
45 +	10	9	8	7	6	5	4	3	2	1

3. The Missouri State Championship Team Penners will be determined based upon the total individual points earned and accumulated for the penning year. You must compete in eight (8) sanctioned pennings (8) times in each class in which you wish to ride as a paid member to be eligible for state finals. The final contest of the year will be at the Missouri State Fair in Sedalia, Missouri. If you pen 3 head in the Open, Over 50, #5 and #9 classes at the finals, your team will advance to the second go-round. The youth will remain with 2 full go's. The second go-round of the Open, #9, Over 50 and #5 classes will be followed by a short-go. Awards will be given on total points earned for the year ending July 31st. Awards will be given on fastest total times at the finals.

QUALIFIED RUNS

1. Within a 60 or 75 second time limit in the Open, Over 50, Youth, #5 and #9 classes (promotor's option), penalty time inclusive, a team must get out from the herd and pen three head of cattle with the assigned (same) identity number. The fastest time wins. A warning may be given to the team working 30 seconds prior to final time being called.
2. A team may call for time with only one or two assigned cattle penned. However, teams penning three cattle place higher than two, and two place higher than one, regardless of time. The fastest time in any go-round will place above a slower time in any other go-round provided the same number of cattle are penned. In multiple go-round contests, teams that pen in each go-round will beat teams that fail to pen in a go-round regardless of the number of cattle penned or time.
3. To call for time, when the nose of the horse enters the gate and the rider raises his hand and the last calf is entirely in the pen, the flag will drop. However, if the entire horse goes past the gate when calling for time a 10 second penalty will be assessed to your time. Time continues until the entire calf of unpenned cattle is on the cattle side of the starting line. If any unpenned cattle are across the starting line when time is called, the line flagger becomes the flagger of record. If the animal is knocked out or put back in the pen after time is called, a no time will be given. If an animal escapes from the pen after time is called, but prior to the time that any unpenned cattle are on the cattle side of the line, the team will be flagged a no time.
4. All cattle will be bunched on the cattle side of the starting line before time begins. There will be markers at all MoTPA Pennings to settle the cattle between. Markers will be a maximum of 48 feet apart. When the cattle are between the two markers the line judge will raise their flag to begin and the announcer will say "the flag is up". One contestant must make forward motion across the starting line and immediately be given their cattle number by the announcer. Riders are committed once they enter the arena. Any delay will be a disqualification. Time begins when the nose of the first horse crosses the starting line. If any part of the horse and rider are across the starting line when the announcer says "flag is up" they will be disqualified.
5. Once committed to the cattle, the team is completely responsible for their animals. It is the team's responsibility, before working the cattle, to pull up and call for a judge's decision if, in their opinion, there is any injured or unusable animal in their numbered cattle, or if any extraneous animals such as dogs, deer, etc., enter the arena. Once the cattle are worked, no excuses are accepted. If an animal leaves the arena, a judge may stop the ride. The team may be disqualified for unnecessary roughness, be given time on their remaining cattle, or be given a re-ride, depending on the judges decision.
6. A time may be given if, in the decision of the judges, an animal has gone down on the pen side of the line and is unable to be returned to the herd due to physical incapacity. The judge then may give time on 1 or 2 head when time is called.
7. Tie Breaker Rule: In the event of a tie affecting the placing, there will be a run off between the teams and the fastest time wins. There will be two timers, but the time used will be the head timer's unless there is an error, then the second timer's time will be used.

DISQUALIFICATION

1. Contact with cattle, be it with hands, feet, ropes, romals, or any other equipment, is a disqualification. A team exhibiting any unnecessary roughness of cattle will be judged a no time. If, in the opinion of the judges, unnecessary roughness occurs, the team in question will then be given a no time for that go-round. No hazing with whips, ropes, romals, or hats is allowed.

2. All classes will be allowed only 1 trash calf at a time with no more than three head across the foul line at any time. Any part of the fourth calf crossing the starting line will result in a disqualification.
3. No spotting of the cattle allowed. Spotting of cattle is defined as identification and/or location of cattle within the herd by a non-team member. This includes identifying color, breed or location. If a MoTPA member is heard spotting for any team, by a judge or a board member, a \$50 fine may be assessed to that individual(s) for a first offense and a 1 year suspension for a second offense. The fine must be paid before being eligible to ride again in competition. The team may also be disqualified.
4. A person may compete a maximum of four (4) times in the Open, Over 50, Youth, #9 and #5 classes. However, one person must change on each team. In the event a person is in 5 times, the 5th ride will be pulled from the draw before the class starts. If it is not discovered until after they ride the team will be disqualified.
5. All cattle will be bunched on the cattle side of the starting line before time begins. There will be markers at all MoTPA Pennings to settle the cattle between. Markers will be a maximum of 48 feet apart. When the cattle are between the two markers the line judge will raise their flag to begin and the announcer will say "the flag is up". One contestant must make forward motion across the starting line and immediately be given their cattle number by the announcer. Riders are committed once they enter the arena. Any delay will be a disqualification. Time begins when the nose of the first horse crosses the starting line. If any part of the horse and rider are across the starting line when the announcer says "flag is up" they will be disqualified.

RE-RIDES

1. Two (2) settlers will be used to settle the herd, with a third settler used only if deemed necessary by a judge. If a third settler is used, he/she will ride to the side of the arena and begin to exit as soon as the announcer says, "flag is up". The remaining two (2) settlers are to leave immediately after the number is given. If a judge deems that there has been interference to the team by the herd settlers, a \$50 fine can be assessed to the offender. The team does not have to pull up to ask for a re-ride, but must ask for it before leaving the arena.
2. When calling for time on 1 or 2 head of cattle and a re-ride is given, the re-ride time will only be on the 1 or 2 head.
3. In the event that the same number has been called twice in the same set of cattle, the second team has the option to accept their time or have a re-ride. A re-ride must be called **before** the team leaves the arena. All re-rides for any reason will be given at the end of the class in the order they occurred and on next set of cattle in rotation. Cattle numbers will be redrawn.

4. Once committed to the cattle, the team is completely responsible for their animals. It is the team's responsibility, before working the cattle, to pull up and call for a judge's decision if, in their opinion, there is any injured or unusable animal in their numbered cattle, or if any extraneous animals such as dogs, deer, etc., enter the arena. Once the cattle are worked, no excuses are accepted. If an animal leaves the arena, a judge may stop the ride. The team may be disqualified for unnecessary roughness, be given time on their remaining cattle, or be given a re-ride, depending on the judge's decision.

FINES/SUSPENSIONS

1. All decisions of the judges are **FINAL**. A whistle may be blown when a ten (10) second penalty or roughing occurs. The judges are the two flaggers and the two timers. Any questions requiring a judge's decision must be asked for before that team leaves the arena. Any contestants using abusive or obscene language, or making an obscene gesture directed at the judge, may result in a fine of \$50.00 (cash), which will be paid before the contestant can compete again. All discrepancies will be handled through the MoTPA director.
2. All MoTPA sanctioned contests must be open to all contestants, and no restrictions may be placed on age, sex, or number of entries, provided entries and fees are properly received prior to entry closing time. A member of the association can be suspended and denied participation privileges upon a 75% vote of the board of directors. Any bad check must be made good before a person can participate in another event.
3. No spotting of the cattle allowed. Spotting of cattle is defined as identification and/or location of cattle within the herd by a non-team member. This includes identifying color, breed or location. If a MoTPA member is heard spotting for any team, by a judge or a board member, a \$50 fine may be assessed to that individual(s) for a first offense and a 1 year suspension for a second offense. The fine must be paid before being eligible to ride again in competition. The team may also be disqualified.
4. Two (2) settlers will be used to settle the herd, with a third settler used only if deemed necessary by a judge. If a third settler is used, he/she will ride to the side of the arena and begin to exit as soon as the announcer says, "flag is up". The remaining two (2) settlers are to leave immediately after the number is given. If a judge deems that there has been interference to the team by the herd settlers, a \$50 fine can be assessed to the offender. The team does not have to pull up to ask for a re-ride, but must ask for it before leaving the arena.
5. Any comment deemed unnecessary from a penner to a judge will result in no less than \$50 fine.
6. A promotor or director can remove a member from a penning due to the member's misconduct.

1. The Backyard Chef Barbecue Contest will be held on Friday, August 18, 2006, at the Missouri State Fair in Sedalia. The contest is limited to 50 contestants, age 15 years and older.
2. Barbecue is defined by the sponsors as beef, chicken, lamb, or pork (fresh and non-cured) meat prepared on a wood or charcoal fire (no electricity or gas) and basted. **Both grilling and smoking methods of cookery may be used.** Meat may not be marinated or preinjected before inspection at the beginning of the contest.
3. To be eligible for the barbecue contest, contestants must submit a completed entry form, signed release form and entry fee. Any entry not meeting these requirements will be returned as incomplete and will have the same effect as if an entry had not been submitted. **Contestants may enter a maximum of three categories. Contestants may not change categories the day of the contest. Entry deadline is August 1, 2006, and is limited to 50 contestants.**

Entry fees:

\$15 for one category

\$30 for two categories

\$45 for three categories

Entry fees are nonrefundable.

4. Categories for the contest are beef, chicken, lamb, and pork. (See Product Category Rules.)
5. Each contestant must provide all meat except those contestants preparing chicken (two halves will be provided to each contestant entering the chicken category and **must be used for the contest**), cooking ingredients, cooking devices (including grill), utensils and preparation table. Electricity will not be available. Water will be available. Clean-up facilities will not be provided.
6. Use of generators **will not** be permitted.
7. Fires must be of wood, wood pellets, or charcoal. No electric or gas grills permitted. Propane permitted as fire starter only.
8. **Contestants will be provided with 15 feet front space only. Designated spaces will be determined by the Barbecue Contest Superintendent and will be assigned on a first-come basis.**
9. Former Grand Champions will be assigned a cook site in the "Isle of Champions."
10. One vehicle per contestant will be allowed to remain in the cooking area. All other vehicles must be removed from the cooking area.
11. Contestants will be issued one special permit for parking, with entry through Gate 11. **All contestants will be expected to pay normal single-day admission.** That fee is \$8 per adult. General parking is free of charge.
12. The contest is open to men and women (age 15 and older), amateur and professional cooks. Each contestant may

have a maximum of three assistants.

13. Each team must comply with all applicable rules and regulations of the Missouri Department of Health and local, city and county health departments, including, but not limited to, the following:
 - a. Meat must be at 40 degrees Fahrenheit or less before cooking. A cooler with ice is cold enough.
 - b. After cooking, the meat must be kept hot in a covered container or in foil. (This can be done by placing it at the back of the grill away from the direct heat.) Product will be judged at the time indicated on the schedule, which will be posted by 9 a.m. the day of the contest.
 - c. Cleanliness of the cook, assistants, and contest area is required.
 - d. **Samples will be given to judges only. Samples may not be distributed to the crowd.**
 - e. **All contestants must supply a fire extinguishing device and keep it near the cooking area.**
14. Immediately upon arrival, contestants must check in at the registration table for space assignment. Meat will be inspected at the time of registration.
15. Contestants will display their assigned numbers in plain view for the duration of the contest. Cooks and assistant cooks will wear their team number for the duration of the contest. Judging times will be posted and sufficient time given between rounds. Advanced calling for an item is not required. Therefore, if chicken is scheduled for 1 p.m., plan to submit it then. An entry will be judged only at the time posted by the contest organizer. The allowable turn in time will be five (5) minutes before to five (5) minutes after the posted time.
16. Cooking may begin any time after space has been assigned and meat has been inspected. Product should be ready for judging between 1 p.m. and 3 p.m. Awards will be presented at 4 p.m. The schedule will be posted at 9 a.m.
17. Each contestant will submit **enough meat for six judges, a portion of which shall be cut into bite size pieces.** For those samples not cut through and entirely separated, whereby making it impossible for each of the six judges to receive a sample, the APPEARANCE score will be changed to a 1. In the pork rib category, one rib per each of the 6 judges is recommended.
18. Missouri State Fair, in compliance with the KCBS, allows for blind judging only. Entries will be submitted in approved numbered container provided by the contest organizer, then renumbered by judging officials. Entries will be judged by a judging team (a minimum of six (6) judges). Entries are scored in the areas of APPEARANCE, TENDERNESS/TEXTURE, and TASTE. Judging ranges are from nine (9) being the highest to one (1) being the lowest. **The weighting factors for the point system are as follows: APPEARANCE - .5714; TASTE - 2.2858; TENDERNESS/TEXTURE - 1.1428.** The lowest score will be dropped and will be used to break ties. **If still tied a random numerical search will be done by the computer to determine a winner.**
19. Garnish is optional. If used, garnish is limited to chopped, sliced, shredded, or whole leaves of fresh lettuce (no kale, endive, red tipped lettuce and no core) and/or common curly parsley, flat leaf parsley, or cilantro. Any entry not

- complying with this rule will be given a score of 1 on appearance.
20. When contest organizer supplies the meat, you are not required to enter only that meat.
 21. **Chicken must be cooked until juices run clear (or to an internal temperature of 185 degrees Fahrenheit.)** Poultry entries submitted under-cooked (as determined by the contest organizer, table captain, and head judge) will be automatically disqualified. All other meats should be served with an internal temperature of at least 165 degrees Fahrenheit.
 22. The following miscellaneous cleanliness and safety rules will apply.
 - a. Sanitizing of work area should be implemented with the use of a bleach/water rinse (one cap/gallon of water). Each contestant will provide a separate container for washing, rinsing and sanitizing utensils.
 - b. No use of any tobacco products while handling meat.
 - c. Cleanliness of the cook, assistant cooks and the team's assigned cooking space is required.
 - d. **Cooks and assistant cooks will wear disposable gloves while handling raw meat and when preparing entries for submitting to judges.**
 - e. A fire extinguisher will be near all pits.
 23. **Entries not following the contest rules will not be judged.**

Judging Procedures

1. The judging area will be separated from the contestants and spectators. Judging will be done in the **blind judging method**. Entries will be submitted in a container provided by fair personnel. Entries will be delivered to the judges by sponsors or fair personnel. Unused entries **will not** be returned to the contestants.
2. All entries in a particular meat category will be judged by a panel of judges at the same time. Judges must agree to taste all samples in that category. All judges will be given instructions by a certified barbecue judge.
3. Judging will be done by a 6 person team.
4. The sample will be judged by all members of a judging team.
5. Each judge will rate the sample for APPEARANCE, TENDERNESS/TEXTURE and TASTE, and score from nine (9) to one (1), with 9 being excellent, 2 below average and 1 unacceptable. **The weight factors for the point system are as follows: APPEARANCE - .5714; TASTE - 2.2858; TENDERNESS/TEXTURE - 1.1428.** The lowest score will be dropped and will be used to break ties. **If still tied, a random numerical search will be done by the computer to determine the winner.**
6. There will be a separate point system for determining the Grand Champion, Reserve Grand Champion, and Champion. These places will be awarded based on the **total** points accumulated during the contest. A contestant must place first, second, third, fourth, or fifth in one of the categories to be eligible for an overall award. The more categories entered (up to three), the better the chances of being named overall Grand Champion, Reserve Grand Champion, or Champion.
7. Prizes for first through fifth place will be awarded in each category. One overall Grand Champion, Reserve Grand

Champion, and Champion will be named. Points are awarded for meat judging only. A contestant must place first through fifth in at least one category to be eligible for an overall placing.

EVENTS:

1. **BALE THROW:** There will be two divisions in this contest. In the female division, the lady will throw a hay bale for distance. The man will throw the hay bale for height. All bales will be approximately the same size and weight. For the men's division, a crossbar will be set and each contestant will have one try at each height, if needed. If the crossbar is knocked off, the next lowest height cleared will be the measurement counted. In the contest only ONE (1) attempt at each setting to clear the crossbar will be allowed. A practice bar and bales will be available 30 minutes before the contest starts for contestants to develop their technique. In the female division each contestant will have four (4) tries to throw the bale the greatest distance. Each division will be awarded points for placement and ribbons.
2. **EGG GATHERING:** There will be two nests of eggs in a designated area for the contestants to gather eggs. At the signal, the contestants will go to the nest and gather the eggs into their egg basket or bucket. When all eggs are gathered, they run back to the starting line. In each set of six eggs there will be one hard-boiled egg. The female contestant will determine the hard-boiled egg by cracking them on the male contestant's head. Time stops when the hard-boiled egg is found. There will be a five second penalty for each cracked raw egg; this time will be added to the time score, except for the hard-boiled egg. Fastest time is the winner.
3. **HAY MOVING CONTEST:** Each couple will have a large round hay bale to move from one side of the arena to a specific area. Lines will be drawn on the arena floor to determine accuracy. Accuracy and time will determine the winner.
4. **GATE HANGING CONTEST:** Couples will be given several TASKS to perform that would be related to hanging a gate. Then they must hang a gate with the female partner on the hinge end giving directions to the male partner. Fastest time wins.
5. **TRACTOR SKILLS TEST:** Tractor skills contest will be expanded to include more skills and fun. Only the female partner will drive a small tractor and wagon through an obstacle course. She can be assisted by her partner giving her directions. This event will be taking place while the main Super Farmer contest is taking place. Accuracy and time will determine the winner. A 5 minute time limit will be given to each couple to complete the course. Equipment will be provided.
6. **SATURDAY NIGHT HUSSLE:** This event will include a slightly challenging obstacle course for the contestants to complete before "going out on the town". All equipment will be provided and the fastest time wins. This will be an extremely fun event for contestants and spectators alike.

**IAFE (INTERNATIONAL ASSOCIATION OF
FAIRS AND EXPOSITIONS)
NATIONAL CODE OF SHOW RING ETHICS**

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. (Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example.) Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. (Exhibitors who violate this code of ethics lessen the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.)

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing.

Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. (Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.)

If the laboratory report on the analyzed saliva, urine, blood, or the sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substances tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken

from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials, shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with an other person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in violation of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including *Fairs and Expositions* and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainers, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which violates these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

NOTIFICATION REGARDING PHOTOGRAPHING YOUTH PARTICIPATION AT THE FAIR

Public Relations are an important part of the Missouri State Fair. Photographs are used in various print and electronic media to recognize members for their work and to let others know what is happening at the Missouri State Fair. Should you prefer that your child not be photographed at MSF events, we want to work with you to keep his or her photo from being taken. Because there are so many youth involved in the Missouri State Fair, we cannot assure you that your child will not be photographed. We will ask official photographers to honor individual's requests not to be photographed. Please visit with your children about your wishes and encourage them to let photographers know that they request not to be photographed. Should a photo of your child be made and used against your wishes, please let us know so that we will not use it again in the future.

WARNING: Camping reservations WILL NOT BE ACCEPTED without completed entry form, including all signatures and correct social security number.
